To the Honorable Board of Supervisors of Saratoga County.

Gentlemen:

I hereby tender my resignation as Chairman of this Board to take effect immediately.

Thanking you one and all for the hearty support given me during my term of office, believe me,

Very truly yours,

E. A. CURTIS,

On motion of Mr. Van Wie seconded by Mr. King, Mr. Van Rensselaer was nominated and unanimously elected Chairman.

The Clerk presented the following:

To
FREDERICK GREENE,
Superintendent of Public Works of the State of New York.
ARTHUR W. BRANDT,
Commissioner of Highways of the State of New York.
JOHN E. HODGMAN,
County Superintendent of Highways of the County of Saratoga.

The Board of Supervisors of the County of Saratoga:

TAKE NOTICE, That the route from North Milton to Saratoga Springs, over the southern or Grand Avenue route of the Broadalbin-Saratoga Springs State Highway, Route 37, as defined by Section 120 of the Highway Law as surveyed and designated by certain maps, plans, specifications and estimates heretofore approved by the above named Superintendent of Public Works, Commissioner of Highways and County Superintendent of Highways and transmitted to the Board of Supervisors for the purpose of procuring the rights of way therefor and under which said Board has procured certain options for said rights of way having been finally approved and adopted as provided by Section 126 and 127 of the Highway Law, you and each of you acting jointly or severally are without power to change the route so finally adopted or to adopt any other route from North Milton to Saratoga Springs in addition to or in place of said above mentioned route so finally adopted and as a tax payer of the State of New York and County of Saratoga, I hereby demand that you severally proceed to the construction of the said highway from North Milton to Saratoga Springs by the southern or Grand Avenue route so finally adopted and shown by said maps, plans and specifications according to your several duties in the premises and I further give notice that as such tax payer I propose to hold you and each of you liable in a tax payer's action for any and all moneys of the State of New York or of the County of Saratoga that may be used for or in the construction of any other route from said North Milton to Saratoga Springs than the above mentioned and that the use of any County or State funds or any act upon the part of you or any of you whereby any such funds may be used or any liability on the part of the State or County incurred for the construction of said highway over any other route than the said route so finally adopted will constitute an illegal and unauthorized use of said funds.

The Clerk presented the following:

To the Honorable Board of Supervisors of Saratoga County:

The following is an extract from the County Court minutes of the February Term, 1925:

"The Clerk will enter these remarks on the minutes of the Court, and submit a copy of them to the Board of Supervisors at it's next meeting for such action as that Honorable body may deem proper.

For sometime past, it has been the general feeling of those familiar with the courts of the County that the fees provided for jurors in the Supreme and County Courts are entirely inadequate in view of the advanced cost of board and lodging and the difficulty of transportation which arose during the winter terms.

This situation has been brought very directly to my attention at the present term, during which it has been impossible for many of the jurors to attend Court at all, while in practically every instance such attendance has entailed great hardship.

It also frequently happens that, while considering a case, a jury is compelled to remain in the Court House until late in the evening, which prevents its members returning home that night, and causes additional expense for board and lodging.

I believe it would be for the best interests of the people of the County, and a matter of fairness, that the rate of pay now provided in the County for Grand and Trial Jurors in the Supreme and County Courts be substantially increased at the first possible opportunity, and, as one of the Judges of the Courts of Record of this County, I take the liberty of presenting the matter to you in this form, urging that it be given immediate attention.

Dated, February 5, 1925.

LAWRENCE B. McKELVEY,
Saratoga County Judge."

All of which is respectfully submitted,

JOHN F. HENNESSY,
County Clerk.

Dated, February 7th, 1925.

The Clerk presented the following:

STATE OF NEW YORK, DEPARTMENT OF PUBLIC WORKS
BUREAU OF HIGHWAYS

Albany, N. Y., January 28, 1825.

Mr. J. R. Whitney,
Clerk Board of Supervisors, Saratoga County,
City Hall, Saratoga Springs, N. Y.

Dear Sir:

By direction of the State Bureau of Highways I am sending you the plans and specifications for the improvement by State Aid of the Schenectady County Line-Scotch Church County Highway extending for a distance of 2.34 miles in the County of Saratoga, in the Town of Charlton.

The total estimated cost of the improvement is $140,000.00. The amount is appropriated in accordance with Section 141, 121, of the Highway Law, as follows:

The State pays 65%, $91,000.00.
The County of Saratoga pays 35%, $49,000.00.
And the Town of pays as extra work

In case the Board of Supervisors wish to adopt the alternative method of apportioning the expense of County Highways as per Section 141-A of the Highway Law, as amended, the estimated cost to be as follows:

The State pays
The County of pays
And the Town of pays as extra work
And the Town of pays
And the Village or City of pays

Either method of apportioning may be adopted.

Will you kindly present the plans and specifications with this communication to the Board of Supervisors at its first session and if approved by the Board, the resolution, forms covering either method of apportionment for which are herewith enclosed, should be adopted and a certified copy of the form adopted returned to this office immediately. Upon receipt of such certified copy of resolution, the highway will take its number and place upon the list awaiting construction.

I will also ask that if approved by the Board of Supervisors, the plans be signed by you at the place prepared for your signature and then returned to me as they are the original tracings to be kept on file here at Albany.

Yours very truly,

A. W. BRANDT,
Commissioner of Highways.

Form C-131 6-17-16-1000 (25-18101)

Final Resolution to be Used if County Pays as Work Progresses

Petition No. 3809 Road No.

Resolution approving plans, specifications and estimates of cost for the construction or improvement of a County Highway in the Town of Charlton, County of Saratoga, passed by the Board of Supervisors of the County of Saratoga, on the day of 1925, pursuant to section 128 of the Highway Law (Chapter 330, Laws of 1908) a quorum being present and supervisors voting in favor of such resolution and supervisors voting against the same.

1. Whereas, at a meeting of this Board held on the 1st day of March, 1917, a resolution was adopted pursuant to section 123 of the Highway Law requesting the construction or improvement in accordance with the provisions of article six of said law of that portion of a highway described as follows:

Beginning on State Road 5542 at Scotch Church, thence southerly to the Schenectady-Saratoga County line.

2. Whereas, the State Commission of Highways has examined the highway above described and has determined that it is of sufficient public importance for construction or improvement in accordance with the provisions of article six of the Highway Law and has certified its approval of the said resolution; and

3. Whereas, said Commission has caused a section of said highway, which section is described as follows:

From the north end of County Highway No. 1609, at the Schenectady county line, northerly through the hamlet of West Charlton to the intersection of State Highway No. 5542 and County Highway No. 817, in the Hamlet of Scotch Church, a length of 2.34 miles in the Town of Charlton, and known as the Schenectady County Line-Scotch Church, County Highway to be surveyed and mapped, and has caused maps, plans, specifications and estimates of cost to be made for such construction or improvement and after examination thereof by the district or county superintendent has transmitted the same to this Board showing the total estimated cost of the work to be $140,000.00 of which the State, County pay the following proportions:

The State pays 65%	$91,000 00
The County of Saratoga pays 35%	49,000 00

4. Resolved, That this Board request that the highway above described in paragraph one be constructed or improved as a County Highway in that portion thereof above described in paragraph three in accordance with the maps, plans, specifications and estimates of cost prepared therefor by the State Commission of Highways under the provisions of article six of the Highway Law; that said work be performed under the charge, care and superintendence of the State Commission of Highways, and that said maps, plans, specifications and estimates of cost prepared for said work, under the direction of said Commission as provided in section 125 of the Highway Law, are hereby duly approved and adopted by this Board.

5. Resolved, That there is hereby appropriated and made immediately available the sum of Forty nine thousand and no one-hundredth dollars, being an amount sufficient to pay the share of the cost of the construction or improvement of such County Highway which is to be borne by the said county, as determined in accordance with the provisions of section 121 of the Highway Law. And the County Treasurer of said county is hereby authorized and directed to pay such proportion of the amount so appropriated as may be required to pay said share, upon the requisition or draft, of the State Commission of Highways; and if there are not sufficient funds in the county treasury with which to pay such requisition empowered as provided by section 142 of the Highway Law to borrow all or part of said sum on the obligation of the said county issued by him for, an behalf of and in the name of the said County and acting for and on behalf of said county.

6. Resolved, That the clerk of this Board is hereby directed to forthwith transmit a certified copy of the foregoing resolution to the State Commission of Highways.

County of Saratoga
STATE OF NEW YORK, ss:

This is to certify that I, the undersigned, clerk of the Board of Supervisors of the county of Saratoga have compared the foregoing copy of resolution with the original resolution now on file in the office and which was passed by the Board of Supervisors of said county on the ..... day of ..... 1925, a majority of all the members elected to the Board voting in favor thereof, and that the same is a correct and true transcript of such original resolution and of the whole thereof.

In witness whereof I have hereunto set my hand and the official seal of the Board of Supervisors, this ..... day of ....., 1925

Clerk of the Board of Supervisors.

RESOLUTION NO. 2

By Mr. Clark:

Whereas the appropriation made in Resolution No. 3 of March 26th, 1924 for the Town of Halfmoon was not sufficient to pay the cost of the bridges under the basis outlined, it is therefore

Resolved, that an additional appropriation of $882.07 be and the same is hereby made so as to cover one half the cost of said bridges, and the County Treasurer is hereby authorized to pay same on the order of the County Superintendent of Highways, and if he has not sufficient funds in hand therefor he is hereby authorized to borrow on the faith and credit of the County, on temporary certificates of indebtedness the above amount.

Over under the rule.

RESOLUTION NO. 3

By Mr. Cronin:

Resolved, that Edward D. Eddy be and he hereby is, appointed County Attorney for a term of two (2) years commencing April 5th, 1925, at the same salary and with the same duties as provided by Resolution No. 29 of this Board, adopted April 5th, 1921.

Over under the rule.

On motion Board adjourned until Tuesday morning.

HOMESTEAD SANATORIUM

Middle Grove, N. Y. February 9, 1925

To the Honorable Board of Supervisors,
Ballston Spa, N. Y.

Gentlemen:

I wish to thank you individually and as a Board for your gracious act on the last day of your annual meeting when you voted unanimously to name the new Lake at Homestead, "Lake Nacy" in memory of my wife. It was a beautiful tribute and a signal honor bestowed on her, whose brilliant intellect and wise counsel did so much to place this institution in the enviable position of worth which it now occupies.

I am deeply appreciative of the official act which commemorates her name and identifies her for all time with the history of Homestead Sanatorium.

A. REDMOND DIMOCK.

RESOLUTION NO. 4

By Mr. Clark:

Whereas, the funds realized from the 1923 Bond Sale have been reduced to $7,552.37 and the roads for which this issue was made have been completed, it is hereby

Resolved, that the balance remaining in this fund should be transferred to the regular Highway Fund and the Indemnity Bond given by the County Treasurer should be cancelled and the County Treasurer is hereby authorized to make this transfer and cancellation.

Over under the rule.

RESOLUTION NO. 5

By Mr. Van Wie:

Whereas, an error exists in the charges of the Law and Finance Committee for the August Session of the Board through a misunderstanding in which the Town of Waterford was charged with $261.43 for care of Poor, which amount should have been charged to the Town of Northumberland, it is therefore

Resolved that the County Treasurer be and he hereby is instructed to credit the Town of Waterford and charge the Town of Northumberland for the above amount.

The clerk presented the following:

January 28, 1924.

To the Honorable Secretary of State, Mrs. Florence E. S. Knapp, and
To the Honorable Board of Supervisors, Saratoga Co., N. Y.
Greetings:

In conformity with Section 34 of the Election Law, the Board of Elections of the County of Saratoga, N. Y., herewith submits its report for the year 1924, and as a part of the same as required by law will be found a statement of the number of voters enrolled with each party for that year in the said county.

Respectfully,

HENRY A. SHAEFFER,
HORACE E. Baker,

Commissioners of Elections,
Saratoga Co., N. Y.

ORGANIZATION AND FUNCTIONS

The Board of Elections of the County of Saratoga, a body vested with the authority of arranging for and conducting elections within the County of Saratoga is constituted pursuant to the State Election Law, (Chapter 17 of the consolidated laws) and functions as a Bi-partisan board under two Commissioners, one Democratic and one Republican. The Board of Elections is also the Custodians of Primary records of the said county. The Board of Elections like-wise performs many of the duties here-to-fore developed on the State Superintendent of Elections, which office was abolished by Chapter 555 of the laws of 1921, including the investigation, listing and receiving of reports of and from hotels, lodging houses, boarding houses, and rooming houses, and the preparation and delivery of the challenge lists for Registration and General Election, containing the names of persons not entitled to register for or vote at public primaries or Elections.

The Commissioners of Elections of Saratoga County are appointed by the Board of Supervisors of the said county, for a term of two years upon the recommendation of the County Committees of the two dominant political parties in the State, as constituted and organized in the County of Saratoga. At their first meeting, after such appointment, they organize as a board by electing one of their number as president and one as Secretary. The present Commissioners were appointed and assumed office on January 1, 1923, for a term expiring January 1, 1925.

During the year 1924, eighteen meetings were held by the Board, of which very complete minutes were kept as required by law, which reflect not only the routine but also other important matters which the Board was called to pass upon and decide from time to time.

AID FROM POLICE DEPARTMENT

This Board takes great pleasure in extending its thanks to the Police Departments of the cities of Saratoga Springs and Mechanicville for the efficient manner in which they acted in furnishing this Board with lists containing names and locations of hotels, lodging houses, boarding houses and rooming houses, also the names of proprietors and keepers of such premises, also the names of all persons over the age of 21 years, residents of their premises, who possessed or claimed to possess the right to vote at the General Election in 1924.

The Election notices for the past year have been published and the official canvass is about to be published in the newspapers designated by the Board of Supervisors as perscribed by law.

Under a resolution adopted by the Board of Supervisors, we advertised for bids for printing the enrollment for the year of 1923-1924. The following bids were submitted to wit: "The Saratogian" $1.14 per page and the "Hudson Valley Times" $1.09 per page—the contract was awarded to the "Hudson Valley Times" being the lowest bidder.

VOTING MACHINES

The voting machines used in the city of Mechanicville and also in the Town of Waterford have given general satisfaction saving the above named places considerable expense. A proper custodian of voting machines in each of the said places was duly appointed and instructions given for their preparation of the same for elections. Party Representatives of the two dominant parties were duly appointed to attend such preparation. Inspectors were also instructed by the custodians in the use of said voting machines for use at General Elections, and their duties in connection therewith. Voting machines were placed on public exhibition for instructions in charge of a competent instructor, under the jurisdiction of the Board of Elections as perscribed for in the Election Law.

ABSENTEE VOTING

The Board also prepared a form of affidavit made necessary by the absentee voting law and freely distributed them to applicants and to the different party organizations. Below is set forth a synopsis for the year of 1924, showing the number of such affidavits received and the number rejected thereof, also the number that were delivered to the various polling places for canvass of same.

REPORT OF THE BOARD OF MANAGERS OF THE HOMESTEAD SANATORIUM FOR QUARTER ENDING JANUARY 31, 1925

February 1925.

To The Board of Supervisors,

Ballston Spa, N. Y.

Gentlemen:

Following is the quarterly report of the Board of Managers of the Homestead Sanatorium for the quarter ending January 31, 1925.

The improvements authorized by your Board during the preceeding year viz: The Hydro-electric Power Plant and the fire Protection system have all been completed and are in operation.

Owing to the very dry Fall and the unprecedented cold Winter, whereby all the water supply sources to the new reservoir were solidly frozen, it was deemed advisable to husband the supply on hand until weather conditions changed and depend in the meantime upon engine driven power. The reservoir is nearly full of water and we can resort to it for power and water at any time. The reports from all parts of the State complaining of water shortage advises us to conserve our present supply for the time.

Notwithstanding that steam has been kept at all times in the steam pipe inside the frost casing of the stand pipe to the water tank, water froze in the stand pipe and one section of the pipe bursted. The engineer was immediately notified and he ordered the contractors who performed this work to immediately repair the damage and to make such changes as were necessary to insure against further trouble of this nature.

We are extremely gratified in the manner in which the roads to the hospital have been kept free from snow this winter. The Holt Tractor Plow stationed at Galway has proved itself a wonderful instrument for snow removal under the most trying conditions and has made possible comfortable auto travel to and from the hospital at all times this winter with the exception of a very few days during the heavy storms early this month. We wish to thank your Board and the Superintendent of Highways Mr. Hodgeman in having so happily solved the problem of winter transportation for the hospital. We wish also to express our appreciation of the efforts made by the road commissioner of Galway, Mr. Robinson who has so untiringly devoted himself to this work this winter.

Respectfully submitted,

G. SCOTT TOWNE, M.D., President.
J. FINLEY WARK, D.D.S., Vice President.
J. T. SWEETMAN M.D.
A. M. RYAN,
HORACE E. McKNIGHT.

RESOLUTION NO. 9

Resolution to be used appropriating monies for elimination of grade crossing.

Public Service Case No. 932. Road No. 340. Saratoga County.

1. Whereas, on the sixteenth day of October, 1922, the Public Service Commission, Second District, of the State of New York, was petitioned for the elimination of existing grade crossing on the Saratoga-Corinth County Highway No. 340, Saratoga County, according to the provisions of Section 91 of the Railroad Law, by the D. and H. Company, and

2. Whereas, under date of March 20, 1924, the Public Service Commission granted said petition and ordered the said crossing to be eliminated.

3. Whereas, the work necessary for the elimination of said crossing will cause an expenditure of approximately Ninety Eight Thousand Dollars of which the D. and H. Company, State of New York, and County of Saratoga will be required to pay the following proportions:

D. and H. Company pays	$49,000 00
State of New York pays	31,460 00
County of Saratoga pays	16,940 00
County of Saratoga for land taking	600 00

4. Whereas, Section 94 of the Railroad Law provides "Whenever**** a highway is constructed across an existing railroad and is a part of a state or county highway constructed or improved, as provided in the Highway Law, one-half of the expense of making such crossing above or below grade shall be paid by the railroad corporation, and the remaining one-half of such expense shall be paid by the State in the case of a State Highway, and jointly by the State, County and town in the case of a county highway, in the same proportion and in the same manner as the cost of construction or improvement of such State or County Highway is paid."

5. Resolved, That there is hereby appropriated and made immediately available the sum of Sixteen Thousand Nine Hundred Forty and 00/00 ($16,940.00) Dollars, being an amount sufficient to pay the share of the cost of the elimination of said crossing on the above mentioned county highway, which is to be borne by the said county, as determined in accordance with the provisions of Section 94 of the Highway Law, and the county treasurer of said county is hereby authorized and directed to pay such proportion of the amount so appropriated as may be required to pay said share, upon the requisition or draft of the State Bureau of Highways; and if there are not sufficient funds in the county treasury with which to pay such requisition or draft, the county treasurer of said county is hereby authorized and empowered, as provided by Section 142 of the Highway Law, to borrow all or part of said sum on the obligation of the said county, issued by him for, on behalf of, and in the name of said county, and acting for and on behalf of the said county, It Is Further

6. Resolved, That the Clerk of this Board is hereby directed to forthwith transmit a certified copy of the foregoing resolution to the State Bureau of Highways.

State of New York, SS:
County of Saratoga,

This is to certify that I, the undersigned, Clerk of the Board of Supervisors of the County of Saratoga, have compared the foregoing copy of resolution with the original resolution now in file in the office and which was passed by the board of supervisors of said county on the.....day of.....1925, and that the same is a correct and true transcript of such original resolution and of the whole thereof.

In Witness Whereof, I have hereunto set my hand and the official seal of the board of supervisors, this.....day of..... 1925.

(Seal)

Clerk of the Board of Supervisors,
Saratoga County.

Adopted by the following vote:

AYES—Messrs. Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Garrett, Carpenter, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas' Torrey, Van Rensselaer, Van Wie, Turpit—20.

NOES—None.

RESOLUTION NO. 10

By Mr. Jump:

Whereas, the bridge over the Mohawk river at Vischer's Ferry was carried away in 1902, and since then no means of passing from one side of the river to the other has been provided the travelling public except by long detours by way of Rexford to the West or Crescent to the East; and

Whereas, the State has since constructed the barge canal through said river, and has completed a power plant at Vischer's costing upwards of $1,000.000,00; and

Whereas, public necessity demands that a new bridge be erected to afford access to such power plant, and to enable residents of the Southern part of Saratoga County to reach a market for their products, as well as to care for the needs of the ever increasing automobile traffic;

Resolved, that it is the sense of this Board that immediate steps should be taken by the State of New York to replace said bridge;

Further Resolved, that the senator and assemblyman representing this district in the legislature be urged to give the matter their earnest attention, and that certified copies of this resolution be transmitted by the clerk of the Board to Senator Brown and Assemblyman Esmond.

Adopted by the following vote:

AYES—Messrs. Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Garrett, Carpenter, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas' Torrey, Van Rensselaer, Van Wie, Turpit—20.

NOES—None.

RESOLUTION NO. 11

By Mr. Jump:

Whereas the Hamlet of Ballston Lake is distant approximately three and one half miles northwesterly from Southards Corner in the town of Clifton Park, and

Whereas, the construction of said three and one half miles of Highway will relieve the Schenectady-Ballston Spa. Highway from much through traffic from Schenectady, Albany and Troy, connecting as it does with the Hamlet of Rexford by Highways already constructed,

Therefore It Is Resolved, that we, the Board of Supervisors of the County of Saratoga do respectfully urge our Representatives in the State Legislature to prepare and cause to be enacted a bill adding to the State system, a Highway leading from the Hamlet of Ballston

Lake through Blue Barn Corners to Southards Corners, connecting there with the Highway leading easterly to the Hamlet of Clifton Park, and the Highway leading southerly to the Hamlet of Rexford.

Adopted by unanimous vote of all members present.

On motion of Mr. Clark Resolution No. 4 was duly adopted by the following vote:

AYES—Messrs. Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Garrett, Carpenter, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas' Torrey, Van Rensselaer, Van Wie, Turpit—20.

NOES—None.

WESTERN UNION TELEGHAM

C Albany, N.Y., 1107 A. M. Mar. 12-25

Hon. J. R. Whitney,

Clerk of the Board of Supervisors of Saratoga County,

Ballston Spa, N. Y.

By resolution board of supervisors of Schenectady county on March 10th appropriated twenty-five thousands dollars toward the expense of the approach of bridge to be constructed at Vischer's Ferry. If your board will do likewise there is some hope that I can get action on the Vischer's Ferry bridge this year.

SENATOR THOMAS C. BROWN.

WESTERN UNION TELEGRAM

C Albany, N. Y., 11:18 A. M. March 18-25.

Hon. J. R. Whitney,

Clerk of the Board of Supervisors of Saratoga County,

Ballston Spa, N. Y.

If you can appropriate a substantial sum toward construction of Vischer's Ferry bridge, contingent upon the state undertaking the work we can hope to get favorable action by the finance committee. Trust you can increase the amount promised by Schenectady County.

SENATOR THOMAS C. BROWN.

The clerk presented the following:

RESOLUTION NO. 20

Supervisor Bradshaw offered and moved the adoption of the following resolution; seconded by Supervisor Koch:

Whereas, there is a bill in the state Legislature providing for the construction of a bridge across the Mohawk River and the State Barge Canal channels at Vischer's Ferry; and

Whereas, this Board has been informed that the construction of said bridge will be expedited in the event Schenectady and Saratoga counties agree to defray the cost of the approach in each of said respective counties: therefore be it

Resolved, that it is the sense of this board of supervisors that said bridge should be constructed; and be it further

Resolved, that it is the sense of this board that a sum, not to exceed $25,000.00, be appropriated towards the purchase of said approach in the event the bridge is constructed; and be it further

Resolved, that the clerk of this board be directed to send certified copies of this resolution to the state senator from this district, to the two assemblymen from the districts in Schenectady county, to the state bureau of canals and waterways and to Saratoga county board of supervisors.

State of New York,
County of Schenectady, ss.:
Board of Supervisor's Office

I have compared the preceding copy with the original resolution adopted by the Board of Supervisors of Schenectady County at a meeting held March 10, 1925, on file in this office, and I do HEREBY CERTIFY the same to be a correct transcript therefrom and of the whole thereof.

WITNESS my hand and the seal of the Board of Supervisors, at the City of Schenectady, this 11th day of March One Thousand Nine Hundred and Twenty-five.

RALPH L. STREEVER,
(Seal) Board of Supervisors,
Clerk.

The clerk presented the following:

Gansevoort, N. Y., R. D. 2 March 12, 1925

To the Honarable Board of Supervisors of Saratoga County.

There appears to be a question regarding the legality of member of Boards of Supervisors acting as members of County Laboratory Board. I therefore resign as a member of the Board of Managers of the Saratoga County Laboratory if I have any standing as a member of said Board.

Sincerely yours,

C. M. CRONIN.

HOMESTEAD SANITARIUM

Saratoga County Tuberculosis Hospital

Middle Grove, N. Y., March 18,1925.

The Honorable Board of Supervisors,

Ballston Spa, N. Y.

Gentlemen:

On the morning of the 25th of February the dirt portion of the dam at the new reservoir at the Homestead Sanatorium became undermined and despite all efforts of the Superintendent and employees of the hospital, about sixty feet of this earth portion of the dam was carried away. Fortunately, no part of the new construction was injured except a small retaining wall on the north side of the power house which became undermined and fell.

We have consulted with the engineers regarding repairs and they have submitted several plans for our consideration. The one which we approve and submit to your Board calls for an expenditure of approximately $3600. This work can be done by day labor thereby effecting a very substantial saving in contractor's fees and the above estimate is based on this proposition.

We trust that your Board will provide the necessary finances at this meeting of your Board in order that the work may quickly be placed under way and the efficacy of the Hydro-Electric plant restored.

G. SCOTT TOWNE, President.
Board of Managers, Homestead Sanitorium.

UTILITIES ENGINEERING CO., INC.

POWER SPECIALISTS

467 Broadway, Albany, N. Y. March 17, 1,925.

To the Honorable Board of Supervisors,
Saratoga County, N. Y.

Gentlemen:

ENGINEER'S REPORT

The dam and power house equipment for the hydro-electric development and fire protection system, Homestead Sanatorium Tuberculosis Hospital, Saratoga County, N. Y. was completed and placed in satisfactory operation during October 1924, supplying power to the institution, the work at the institution however was not all completed until January 1925. February 25, 1925 that portion of the original dam (being the north embankment) which was incorporated in the new structure failed.

At the time of excavation for the new power house, no defects were apparent in this embankment, which later failed, and in as much as this embankment had been used as a dam for years with the water level higher than it was at the time of failure and the outline being true and unimpaired, we feel justified in assuming that it was suitable to retain as a part of the dam, which use saved a cost approximately as much as it will cost to construct now.

From some cause hidden below the surface, a small leak developed late in the fall of 1924 (months after the water had been against it) and became a little worse this spring, all was done which could have been done at that season of the year to control it, until a proper repair could be made later in the spring. It was considered to be under control but suddenly failed, which would indicate a very serious condition underneath, which could only have been remedied as we herewith propose.

At a meeting of the Board of Dircetors of this institution we as engineers were instructed to prepare and present to you, this report and recommendation together with necessary plans and specifications for the replacement of that portion of original dam which washed out during February 1925.

We propose as shown on accompanying plan, an earth fill dam, with concrete core wall throughout its entire length, to prevent any seepage and to have rip-rap protection on upstream slope.

It is also proposed, to facilitate the work and to get the benefits thereof as soon as possible and also to lessen the cost, that the Superintendent of this institution be authorized to do this work by employing the necessary labor and buying the necessary material.

A detailed estimate is as follows:

85 yds.—concrete	at	$12.00	$1052 00
1650 yds.—fill	at	.60	990 00
100 yds.—excavation	at	1.50	150 00
100 yds.—excavation	at	3.00	300 00
100 sq. yds.—rip-rap	at	1.50	150 00
Equipment			400 00
Miscellaneous			200 00
			$3242 00
Engineering 10%			324 20
			$3566 20

Say $3600.00.

Respectfully submitted,

UTILITIES ENGINEERING CO., INC.

EDWARD E. SHELDON.

STATE OF NEW YORK—STATE BOARD OF CHARITIES

Report of General Inspection

of the

SARATOGA COUNTY ALMSHOUSE

Ballston Spa., Saratoga County

Chairman, Board of Supervisors: Charles C. Van Rensselaer, Wilton, N. Y.

Officer in charge: Francis J. Dunn, Superintendent of the Poor.

Dates of inspection:
Present: March 3, 1925.
Last previous: January 10, 1924.

Inspector: W. L. Chase.

Received and ordered printed.

II. ACTION TAKEN TO REMEDY DEFECTS NOTED IN REPORT OF PREVIOUS INSPECTION

1. The supply and flow of water have been increased by enclosing five springs and connecting them with the house system with a three-inch main.

III. OTHER IMPROVEMENTS AND CHANGES

1. New toilets and new flooring were provided in two lavatories in the men's quarters, and a new toilet in the employees' quarters.

2. Metal weather strips were put on the windows in the main building except on the front, south, of the men's wing.

3. Inmates' quarters were repainted.

IV. CENSUS AND CLASSIFICATION OF INMATES

Rooms		Beds	Occupants
West wing,	men; 1st floor, 14 rooms, 1-2-3 beds	28	27
	men; 1st floor, ward	10	10

Number of blind	2	2

V. GENERAL PLANT CONDITIONS

The property contains 127 acres. The location is convenient and the site is elevated and open. The grounds are attractive. Outbuilding are neat. Farm buildings are adequate and some are modern. Farm equipment is first class.

The almshouse is a large two-story brick building, well maintained but not modern or attractive in arrangement or finish. Two lavatories in the men's quarters have new floors and toilets; another lavatory there still needs improvements.

Other deficiencies worth noting in the men's quarters are the lack of running hot water and of sitting rooms.

Men who are not able to go to the shower bath in the laundry under the east wing, bathe in a tub where the water is heated by a jet of steam.

The corridors are used as sitting rooms. They are not attractive.

Straw ticks are still in use except in the hospital.

Working equipment has been improved in recent years. The heating plant now has two boilers. The new metal weather strips are effective. These or storm windows are needed at times on the second floor of the hospital. The first floor has storm windows. The water supply was increased since the last inspection. The old spring is to be dug out and used again. Whether the increased supply would prove adequate in case of fire, is problematical.

Fire-fighting equipment consists of hydrants and hose, interior standpipes and hose, and a number of liquid chemical extinguishers recharged January 6, 1925. The hose is of good quality. Suitable alternate means of egress are provided in and on main building and hospital, by inside wooden stairs and outside metal fire escapes. A watchman is not employed.

The hospital is quite modern, light and well ventilated, and is well equipped for the care of chronic cases. A good veranda is provided.

IV. GENERAL ADMINISTRATIVE CONDITIONS

Resident Staff

Position	Name	Salary
Superintendent	Francis J. Dunn	$1,500.
Matron	Mrs. Dunn	600.
Asstistant matron	Mrs. H. B. Dennison	45. a month
Inmates' Cook	Henry LeBaron	65. a month
Hospital Cook	Mrs. LeBaron	45. a month
Staff Cook	Mary Johnson	50. a month
Nurse		31. a month
Hospital Attendant	Alice Dodge	25. a month
Hospital Attendant	Harry Freeman	20. a month
Men's Attendant	James Fitzgerald	40. a month
Staff Maid	Edna Arnold	40. a month
General Helper	Louise Murray	5. a month
Farmer	John Williams	85. a month
Farmhand	Lee Baker	65. a month
Fireman	Frank Harrison	25. a month
Fireman	Thomas Lynch	25. a month

The position of nurse has, it is understood, been vacant for a long time. The hospital attendants appear to be kindly. The hospital cook is new to the position but experienced; she was formerly the staff cook.

A trained nurse or a nurse with some hospital training should be employed there to insure intelligent compliance with the physician's orders, general efficiency, suitable records and proper dietary.

The attending physician is Dr. Ralph B. Post of Ballston Spa. He comes on alternate days and oftener if necessary. His only record is a register. This shows nineteen visits in February. There should be a record at the almshouse of each case, giving diagonsis, treatment and condition in acute cases.

No patients in the hospital were on special diets. The meals served there on day of inspection were:

Breakfast: Rolled oats, separated milk, sugar, bread, butter, coffee.

Dinner: Stew of beef, potatoes and onions, bread, tea.

Supper: Stewed apricots, bread, butter, tea.

Breakfasts are the same from day to day. Suppers include either sauce or cake or a cereal. It is stated that four quarts of whole milk a day for use in the coffee and tea, and a pail of separated milk a day, are used in the hospital. The serving of separated milk to invalids seems a doubtful and an unnecessary economy.

The regular dietary for well inmates continues as previously reported. Meals served on day of inspection were:

Breakfast: Rolled oats, separated milk, sugar, bread, coffee.

Dinner: Stew of meat and vegetables, bread, peanut butter, tea.

Supper: Johnny cake and milk or left-over stew, tea.

About twenty working inmates get real butter with all meals. The other men have butter three times a week at dinner and peanut butter the other four days.

Breakfasts are the same from day to day. Suppers include bread and tea and either rice or mush or left-overs, such as hash or potatoes and gravy.

Dinners follow this schedule:

Sunday: Meat, potatoes, beans, onions, beet pickles, rice puddings, bread, butter, tea.

Monday: Pork, salt or fresh, boiled potatoes, cabbage, turnips, carrots, bread, tea.

Tuesday: Stew of beef, pork and 3 vegetables, bread, peanut butter, tea.

Wednesday: Boiled beef, potatoes, carrots or turnips, bread, tea.

Thursday: Fresh pork, potatoes, and a vegetable; or a chowder of beans, pork and potatoes; bread, tea.

Friday: Creamed codfish, potatoes, squashes or onions, bread, tea.

Saturday: Hash with onions, bread, tea.

The women get cake with Sunday suppers, and extras from the staff kitchen.

The farm produces much pork, poultry and dairy products. Over 90 pounds of butter are being made weekly. A great variety of vegetables is raised and used here.

Housekeeping standards are high, cleanliness,sanitation and ventilation are well maintained. Weekly baths and changes are the rule. Individual clothing and towels are provided. Laundry equipment does not include a mangle, but sheets are ironed.

VII. SUMMARY OF PRINCIPAL NEEDS AND DEFECTS

1. The men's quarters are not well designed or equipped.
2. The employment of a trained nurse is suggested.
3. The use of whole milk only, in the hospital is advised instead of separated milk not used in part.

Respectfully submitted,

(Signed) W. L. CHASE,
Inspector.

SARATOGA COUNTY JAIL

Ballston Spa

Inspected March 19, 1925. Arthur G. Wilmot, sheriff; Clarence Hovey, under-sheriff; William Parks, jailer; with the wife of the under-sheriff acting as matron when there are female prisoners. This constitutes the personnel of the jail

On the day of inspection there were 21 male prisoners, classified as follows: Awaiting trial, 4; serving sentence, 16 (4 federal); and 1 held for grand jury. The highest population of the year was 26, lowest 21.

This jail is a good one with plenty of light in all corridors excepting one, and has adequate ventilation. It consists of two floors and a basement containing kitchen and boilers and heating apparatus for court house, jail, and sheriff's house.

Each cell is equipped with a toilet, wash basin, bunk with mattress, sheet, blankets, and pillow with case. The women's sections has a large table in corridor and has a bath tub in place of a shower.

The jail was clean and orderly and in excellent condition throughout. The sheriff has undertaken the repainting of the entire interior and is using inmate labor to do the work. On the day of inspection the kitchen had been completely painted and presented a very fine appearance.

Three meals are served daily and the food was found to be wholesome and of good quality and adequate.

A jail physician examines every prisoner on entrance and if any are found suffering from communicable diseases these are segregated immediately.

Prisoners are divested of their clothing on entrance, are given a bath, and furnished with jail clothing which can be washed, thereby insuring immunity against contagion and vermin.

A new boiler has been installed, so that if one breaks down or is in need of repair the other is available also. The blower has been taken off the old boiler and shaker grates installed. The plumbing in the entire jail has been overhauled and put in excellent condition.

The laundry facilities are adequate and plenty of hot water is available.

The present sheriff has changed the menu for the prisoners by providing milk and sugar for coffee or tea. This is commendable. The food provided is as follows: Breakfast—bread and coffee with milk and sugar; dinner—vegetable soup, bean soup or stew of meat and gravy and boiled potatoes; supper—bread and tea alternating with hash and meat and gravy. Every Sunday, baked beans and pork. The sheriff gives each inmate smoking material who is unable to purchase it for himself.

Respectfully submitted,

CECILIA D. PATTEN,
Commissioner.

RESOLUTION NO. 1

By Mr. Curtis:

Whereas, a verified petition has been duly presented to this Board, duly executed by certain residents of the towns of Ballston and Clifton Park, constituting a majority of the taxable inhabitants whose names appear upon the last preceding assessment rolls of the said towns, owning or representing more than one-half of the taxable real property within the portions of said towns hereinafter described, praying for the establishment of a fire district within the hereinafter described portions of said towns, be it

Resolved, that there be and is hereby established, pursuant to the provisions of section 38 of the County Law, a fire district to be composed of

All that territory within the towns of Ballston and Clifton Park, Saratoga County, bounded and described as follows: Beginning at and including the dwelling house of Elmer Pepper on the southerly side of the State highway running between Burnt Hills and Ballston-Lake village; thence in a direct line northward to and including lands of John Larkin on the Burnt Hills-Buells Corners highway; thence along the southerly line of said last mentioned highway to Buells Corners; thence in a north-easterly direction along the Saratoga Springs state road, including all farms on either side of said road, to and including the Manning Farm; thence in an easterly direction across Ballston Lake to the farm of Joseph Chamberlain; thence southerly to the farm of Clark P. Smith in the town of Clifton Park; thence following the highway to H. W. Ashdown's corners, including the farms of George Cassidy and Charles Ashdown; thence along said highway to the residence of William Meade, Sr.; thence westerly in a straight line to the place of beginning.

Further Resolved, that the town clerks of the towns of Ballston and Clifton Park shall within thirty days from date call a meeting of the legal voters of the district hereby established for the purpose of electing fire commissioners and a treasurer of said district, as provided by law.

Further Resolved, that the treasurer of said district shall with fifteen days after his election, and before entering upon the duties of his office, make, execute and deliver to the supervisors of said towns a joint and several undertaking, with two sufficient sureties, in the sum of Five hundred dollars, to be approved by the town boards of said towns, to the effect that he will faithfully account for and pay over according to law all moneys which may come into his hands as such treasurer.

Adopted by the following vote:

AYES—Bailey, Carpenter, Clark, Costello, Cromie, Cronin, Curtis, Garret, Johnson, Jump, King, Parkis, Riddell, Springer, Thomas, Torrey, Turpit, Van Rensselaer, Van Wie, Wilmot.—19.

NOES—None.

RESOLUTION NO. 2

By Mr. Van Wie:

Resolved, That the equalization committee be authorized and instructed to arrange for a sub committee of three to visit each tax district in the County and go over the assessment rolls with the Supervisor and Assessors of each such district, and examine such property as may be necessary to give them a knowledge of the valuations of the district and how the assessed valuations compare with full values, using every means in their power to arrive at a fair basis of equalization. This sub committee should report to the equalization committee and they in turn to the Board as early as practicable.

The committee is authorized to employ such assistants as may be necessary to obtain a full and fair appraisal and to make a complete record of their findings in each tax district.

Adopted by the following vote:

AYES—Bailey, Carpenter, Clark, Costello, Cromie, Cronin, Curtis, Garret, Johnson, Jump, King, Parkis, Riddell, Springer, Thomas, Torrey, Turpit, Van Rensselaer, Van Wie, Wilmot.—19.

Noes—None.

The Clerk presented the following:

REPORT NO. 1

To the Honorable Board of Supervisors:

Gentlemen:

Pursuant to your instructions I have examined a bridge on the Stillwater-Schuylerville Highway No. 5,230 said bridge is located about one-half mile southerly from the Village of Victory and is known locally as the McCarthy bridge. I find it unsafe for present day traffic and recommend that a bridge capable of carrying a concentrated load of twenty tons be built to replace it.

I have estimated the cost of a bridge to be built at $18,000 which amount includes all engineering and inspection.

Respectfully submitted,

J. E. HODGMAN,
Co. Supt.

The Clerk presented the following:

REPORT NO. 2

To the Honorable Board of Supervisors:

As requested in your Resolution No. 2 at this meeting, I submit herewith plans and specifications for a bridge to replace the present McCarthy bridge over Fish Creek in the Town of Saratoga.

These plans and specifications have been approved by the State Highway Bureau and call for a clear span of 70 feet, 24 feet of clear roadway, a steel bridge of the type known as pony truss, concrete floor, safe carrying capacity two twenty ton trucks passing. The estimated cost is $18,000.

I recommend the approval of the plans and specifications as submitted.

JOHN E. HODGMAN
County Superintendent of Highways.

The Clerk presented the following:

RESOLUTION NO. 4

By Mr. Carpenter.

Resolved that the County Sealer of Weights and Measures be authorized to attend the session of State Sealers Association to be held at Utica July 21-22 and 23 and present bill to this Board for audit for expenses incurred in so doing.

Adopted by the following vote:

Ayes—Bailey, Burt, Clark, Costello Cromie, Cronin, Curtis, Carpenter, Garrett, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Van Wie—20.

Noes—None.

The Clerk presented the following:

RESOLUTION NO. 5

By Mr. Curtis.

Resolved that the County Bovine Tuberculosis Committee be and they hereby are authorized to purchase a power disinfecting machine for use in their work, at a cost of not exceeding $500.00 the bill to be presented to this Board for audit.

The Clerk presented the following:

STATE OF NEW YORK
DEPARTMENT OF PUBLIC WORKS

June 6, 1925.

The Honorable Board of Supervisors, County of Saratoga,
Ballston Spa, New York.

Gentlemen:

As you doubtless know, there are numerous spurs and unconnected roads now included as part of our System of State Highways. It is needless to question why these dead-ends and disconnected highways were built as a state matter; it is enough to say that everyone admits they have no proper place in any State Highway System and that as state

roads they are mistakes. This Department is anxious to correct these mistakes and to that end I am writing the Boards of Supervisors of every county where spur roads exist, asking them to cooperate with and aid us to end an evil which never should have been started.

On the new authorized State System there are 13900 miles of roads of which 4070 miles are yet to be built and there are 228 miles of spur and unconnected roads now built. In view of the fact that the State (of course, assisted by the Counties) has obligated itself to build and maintain this large mileage, we are asking the counties to cooperate with the State by voluntarily agreeing to have these spurs dropped from the states system, and, after the state has put these spur roads in as good condition as their types of construction will permit, the counties are to take them over for maintenance. As these roads carry only a small amount of traffic, the maintenance cost will be small. If the counties will agree to this proposition, we would then have a system of connected, through highways which on its face would be logical and proper; one that no other State could criticize.

In Saratoga County, there are 54.1 miles of roads yet to be placed under contract and 3.3 miles of spur roads now built. These roads are as follows and are shown on the small map attached herewith:

STATE ROADS STILL TO BE BUILT

Schenectady Co., Line-Scotch Church	2.4 miles
Reynolds Corners-Ft. Edward	3.1 miles
Saratoga-Gansevoort, Pt. 2	3.3 miles
Snake Hill-Saratoga Lake Outlet	4.0 miles
Saratoga Spgs-Gansevoort Connection	0.7 miles
Saratoga Lake Outlet-Saratoga	2.2 miles
Clifton Park-Round Lake & Maltaville Connection	6.0 miles
Elnora-Clifton Park	3.2 miles
Highway No. 1117 at Southard Cors., thru Blue Barns to State Road No. 25	2.5 miles
Burnt Hills cut-off	1.3 miles
Bemis Heights-Covesville-Schuylerville	9.7 miles
Scotch Church-Galway-Kimball Corners	5.9 miles
E. Galway-Saratoga Spgs., Part 2	4.1 miles
Ballston Lake-Lape Corners	5.5 miles
Ballston Spa Village	0.2 miles
Total	54.1 miles

Spur Roads that should be eliminated from the State System

Rexford Flats-Groom Corners	3.0 miles
Round Lake, spur	0.3 miles
Totai	3.3 miles

Will you kindly place this matter before your Board for consideration at an early meeting and advise us if Saratoga County will be willing to have this 3.3 miles of spur roads taken from the State System? It is our intention that if a favorable anwer comes from all counties, we shall then amend the law so that these local roads may be eliminated from the State System by the 1926 Legislature.

We appreciate that we are asking you to do a generous act, but it is one which will be to the best interest of the State and will show on your part a return for the liberal attitude your State has always taken in highway matters.

From informal talks with several county authorities, we believe that this request will be favorably received throughout the State and that no serious opposition will be encountered. As we receive replies from the several counties, we will be happy to notify you of their decision.

Trusting that your Board will act favorably upon this request.

Very truly yours,

FREDERICK STUART GREENE,
Supt. of Public Works.

The Clerk presented the following:

STATE OF NEW YORK
DEPARTMENT OF PUBLIC WORKS

July 27, 1925.

Mr. John F. Hennessy,
Clerk of the Board of Supervisors,
County of Saratoga, Ballston Spa, New York.

Dear Sir:

In my recent letter requesting your Board of Supervisors to agree to the elimination of certain dead-end roads in your County, I stated that from time to time I would keep you informed as to the progress we were making throughout the State. Up to date, we have heard adversely from only one county. In their case, the road is not a dead-end road but is a loop, and upon investigation, it is a question as to whether or not they would be justified in taking over this loop.

All the other counties from which we have heard have written favorably regarding the proposition, and I am informed that the matter will be brought up at the fall sessions of the different Boards. In the meantime, Monroe and Erie counties have passed definite resolutions agreeing to take over the dead-end roads as requested by this Department, and we expect to receive favorable resolutions from Westchester, Allegany, Wyoming, Cortland, Tompkins and Onondaga counties in the near future.

If there is any further information you may desire on this subject, we will be glad to furnish it.

Very truly yours,

FREDERICK STUART GREENE,
Supt. of Public Works.

Later:

Broome County has also expressed a willingness to cooperate in eliminating the dead-end roads in their County.

ROTARY CLUB OF SARATOGA SPRINGS

August 4th, 1925.

To the Honorable Board of Supervisors,
Ballston Spa., N. Y.

Honorable Sirs:

The attention of the Rotary Club of Saratoga Springs has been called to the dangerous condition of the dry bridge over the Boston & Maine Railroad tracks on the highway between Saratoga Springs and Schuylerville.

Tourists unfamiliar with the bad oval on the bridge are liable to injury by the sudden jolt of the cars and it is liable to result in a serious injury, unless the cause is remedied.

We hope this letter calling same to your attention will result in some remedy before a serious accident occurs and the City of Saratoga Springs and County of Saratoga have to defend themselves in a suit for damages.

Yours very truly,

THE ROTARY CLUB OF SARATOGA SPRINGS, N. Y.
By ARTHUR J. PIERCE, President.

The Clerk presented the following:

CHAMBER OF COMMERCE

August 8, 1925.

The Honorable Board of Supervisors of Saratoga County:
Ballston Spa., N. Y.

Gentlemen: *Att: Mr. Edward D. Eddy*

It has come to our attention that tourists complain very much about what is known as the dry bridge on the state highway, between this city and Schuylerville, about three miles from Saratoga Springs.

To anyone crossing this bridge rapidly, it is liable to throw them up so that their heads strike the top of the car and cause them some injury. The Chamber of Commerce would appreciate it very much if your board would take the matter up with the proper authorities and see if this condition cannot be remedied. At least proper signs calling attention to those not familiar with the bridge should be erected.

Thanking you for any action you take toward regulating this condition, I remain in behalf of the Chamber of Commerce

Yours very truly,

CLARENCE R. PARMENTER,
President.
F. A. STORRS,
Secretary.

The Clerk presented the following:

TOWN OF WATERFORD, N. Y.

To the Honorable Board of Supervisors of Saratoga Co., N. Y.

Gentlemen:

Agreeably to the resolution passed at the July meeting of your Honorable Board, I attended the convention of Sealers of Weights and Measures at Utica, N. Y., held July 21, 22 and 23.

It was by far the best convention ever held in the State and was attended by nearly every County Sealer and most of the City Sealers of the State of New York besides officials from Washington D. C., and several other states.

The meetings were held in the Board of Supervisors chambers at the Oneida Co. Court House.

President Harry W. Sherman, Rochester, presided at all sessions.

Clarenle E. Williams, Corporation Counsel of Utica, welcomed the delegates on behalf of the City, John G. Duffy, Secretary of the Utica Chamber of Commerce gave a very interesting talk on the education of the public in reference to a Sealers duties.

Ralph W. Smith of the Bureau of Standards of Washington, D. C., named as the two outstandnig problems at present were the sale of Ice Cream and heavy capacity scales.

Charles H. Bulson, Theresa, Sealer of Jefferson Co. told of the efforts of the legislative committee to get a law passed at Albany last winter, defining a cord of wood. Discussion at the first days session was devoted largely to non-stop visible gasoline pumps which are usually read from the ground and guess work results either in short measure or over measure, during the discussion Mr. Reynolds, head of the State Bureau, advised the men to use diplomacy and not split hairs. He pointed out that some of the pumps give overmeasure and declared no jury would ever convict a man for so doing.

In the afternoon the delegates were taken by automobile on a sightseeing trip of the city and in the evening enjoyed a recreational program at Forest Park.

Wednesday was devoted to discussions relating to a Sealers work and to a talk by Mr. Holbrook of the Bureau of Standards, Washington, D. C. Wednesday evening there was a banquet at the Hotel Utica with a good lot of speakers.

Thursday there were reports from the different committees and the election of Officers. A resolution was adopted designating Buffalo as the city for the convention of 1926.

In closing I wish to extend my thanks for the many courtesies received from your Honorable Board and believe that it is very beneficial to attend these conferences as many things are brought out which are helpful to the Sealers.

Respeltfully submitted,

HARRY R. DAVIDSON
County Sealer of Weights & Measures.

The Clerk presented the following:

STATE OF NEW YORK

COMPTROLLER'S OFFICE, ALBANY

September 18, 1925.

Mr. J. R. Whitney,
Clerk, Board of Supervisors, Saratoga Co.,
Northville, R. F. D., N. Y.

Dear Sir:

The Board of Supervisors of the County of Saratoga is hereby required to raise by taxation for fiscal year beginning July 1, 1925, the sum of $115,095.14 for the following purposes:

Direct State Tax on an equalized valuation of $66,922,261—1.50 mills	$100,383 39
Armory Purposes	10,761 83
Court and Stenographers expenses on an Assessed valuation of $44,231,723	3,949 92
Total	$115,095 14

The direct state tax is levied pursuant to Chapter 237, Laws of 1925. Armory purpose tax is levied pursuant to the Military Law as amended; Court and Stenographers expenses pursuant to the Judiciary Law as amended, Chapters 181, 236 and 659, Laws of 1925, and Article6, Section 12 of the State Constitution.

Respectfully yours,

VINCENT B. MURPHY,
Comptroller.

By

J. J. HAMILTON,
Deputy Comptroller.

The Clerk presented the following:

STATE OF NEW YORK

TAX DEPARTMENT, ALBANY

November 1, 1925.

Board of Supervisors,
Saratoga County, N. Y.

Gentlemen:

The State Tax Commission pursuing its policy adopted several years ago, furnishes herewith, boards of Supervisors with information relating to the rate of assessment of real property for their guidance in preparing the county equalization table, in accordance with the provisions of section 171, of the Tax Law, which section makes it the duty of the Commission to assist officials charged with the duties relating to the assessment of property for the purpose of taxation. The section further provides that the Commission shall equalize the full value of special Franchise property with other real property in the town, city or village in which the special franchise property is situated.

In the performance of this duty, the Commission has caused an investigation to be made in each tax district of Saratoga County for the purpose of determining the rate of assessment of real property situated therein, and has in its files a list of sales of real property in each such tax district showing the sale price and the assessed valuation in relation to each sale. Based upon this list of sales and such other information as the Commission has been able to gather, the rate of assessment of real property for each tax district of Saratoga County has been fixed and determined by the Commission for the year 1925 as follows:

City of Mechanicville	60%		
Saratoga Springs	55		
Town of Ballston	56%	Town of Malta	50%
Charlton	62	Milton	41
Clifton Park	67	Moreau	49
Corinth	49	Northumberland	50
Day	30	Providence	35
Edinburgh	40	Saratoga	53
Galway	56	Stillwater	63
Greenfield	68	Waterford	55
Hadley	35	Wilton	40
Half Moon	65		

This information is furnished for your consideration in making the county equalization this year with the hope that it may prove to be of assistance in your work. If you should desire to examine the list of sales, the Commission will be glad to arrange for you to do so.

It should be borne in mind that the rates as set forth above are based upon the assessed valuations of the respective tax districts for the year 1924 and do not reflect any changes which may have been made in the assessed valuations for the current year. If any substantial changes were made in any of the tax districts for the year 1925, they should, of course be given due consideration and the rate modified accordingly.

This communication is sent to you in the spirit of cooperation, the Commission realizing that it is often difficult for the Board of Supervisors to obtain information in relation to equalization matters of the character herein referred to.

Very truly yours,
STATE TAX COMMISSION,
By DANIEL R. SPRATT,
Deputy Commissioner.

The Clerk presented the following:

WILL W. BLACKMER,
County Treasurer.

To the Board of Supervisors of Saratoga County:

Gentlemen:

Pursuant to the provisions of Section 41 of Chapter 547 of the Laws of 1922, and any and all acts amendatory thereof, I hereby make and file a report of all fines or moneys received and turned over to the County Treasurer, or other County fiscal officer, from November 1st 1924 to October 31st, 1925, by the Children's Court of the County of Saratoga.

I report that no such fines or moneys have been received or turned over.

Dated, November 1st, 1925.

LAWRENCE B. MCKELVEY,
Saratoga County Judge and Judge of the Children's Court of said County.

To the Board of Supervisors of Saratoga County:

Gentlemen:

I herewith submit to you, pursuant to the provisions of Section 41 of Chapter 547 of the Laws of 1922, and any and all Acts Amendatory thereof, a report of all expenditures under the appropriation made by this Board for the purposes of the Children's Court Act for the year commencing November 1st, 1924, and ending October 31st 1925.

These figures I have had taken from the accounts of the County Treasurer of Saratoga County, with the exception of the last item, which is estimated, owing to the fact that the bills included therein have not yet been passed upon by this Board to date, and therefore the exact figures are not available:

Salary of Judge	$750 00
Salary of Clerk	1,200 00
Expense of Judge	110 18
Expense of Clerk	30 99
Stenographer's fees and expenses	526 69
Commissioners' and investigators' fees and expenses	516 89
Fees of Peace Officers for service of process	948 21

Rent of Court Room	300 00
Telephone	130 58
Lights	20 00
Supplies for office	116 05
Interpreter's fees	5 00
Equipment	213 94
An estimated item to cover such bills as may be presented to this Board at the present session, including the charges of deputy sheriffs for fees and attendance at court, charges of commissioners and investigators, clerk's expenses and expenditures of the Judge of the Children's Court	500 00
Dated, November 1st, 1925.	$5,368 53

LAWRENCE B. MCKELVEY,
Saratoga County Judge and Judge of the Children's Court of said County.

To the Board of Supervisors of Saratoga County:

Gentlemen:

Pursuant to the provisions of Section 41 of Chapter 547 of the Laws of 1922, and any and all acts amendatory thereof, I submit to you an estimate of the funds required to carry out the purposes of that statute known as the Children's Court Act, for the coming year, commencing November 1st, 1925, and ending October 31st 1926.

In presenting this estimate I am guided somewhat by the expenses of the past year, the items whereof are submitted to you in a report annexed herewith.

In a report of the work for the year I have recommended that the salary of the Clerk be increased from $1,200. to $1,500. for the reasons therein stated, and having in mind the possibility of this suggestion meeting with your favor, I have in the within estimate placed the figure of clerk hire at $1,500.

I have also increased the possible estimate for the service of process of the court and for commissioner's fees for hearing and investigations, which increases I believe will be necessary to meet the growing volume of work of the court.

Other than these items the figures which I submit to you are approximately the same as in other years.

Rental of Children's Court Rooms at Saratoga Springs	$600 00
Additional fixtures, including safe	200 00
Clerk's salary	1,500 00
Judge's salary	750 00
Estimated traveling expenses of Clerk and Judge	100 00
Stenographer's fees and attendance at Court	650 00
Fees of peace officers for attendance at court upon hearings and for service of process	1,000 00
Commissioner's fees for hearings and investigations	1,500 00
Telephone rentals and charges	125 00
Postage and stationery	25 00
Janitor service for Court Chambers	52 00
Miscellaneous estimate to cover unforeseen items	150 00
	$6,652 00

These figures aggregate the sum of $6,652.00, and include a sum supposed to be sufficient for the purchase of a suitable safe and additional files which the court deems necessary.

The room heretofore used for the use of the Children's Court and the work I find to be insufficient because of the necessity of holding private conferences, clinics, and the work of the investigators which is frequently of a confidential nature. For this reason I have made tentative arrangements whereby, subject to the approval of your Board, additional rooms can be secured at an additional cost of $300.00, and for this reason the first foregoing item of rental is increased from $300 to $600.

Dated, November 1st, 1925.

Respectfully submitted,

LAWRENCE B. MCKELVEY,
Saratoga County Judge and Judge of the Children's Court of said County.

To the Board of Supervisors of Saratoga County:

Gentlemen:

I am required by Section 41 of Chapter 547 of the Laws of 1922, and the acts amendatory thereof, to submit to your Honorable Board a report of the work done by the Children's Court during the year. In compliance with these statutes I submit herewith a report of the work of the Children's Court for this County from November 1st, 1924 to October 31st, 1925:

The Court deals generally with cases involving the conduct and welfare of children under the age of sixteen years. In previous reports I have described to you the general nature of this work, and for that reason deem it unnecessary to enter into great detail at this time. Moreover it is the policy of the law that the names of the children involved in any of these cases shall not be made public, nor the circumstances of each case developed.

Our dockets for the year show that there have been cases of improper or insufficient guardianship in which process was issued and hearings held, involving one hundred sixty-three children.

The cases of juveline delinquency (meaning generally cases in which children were charged with offenses) in which process was issued and hearings held numbered sixty-five.

In addition to these there were complaints and investigations of causes in which the Children's Court Judge did not deem it advisable to issue process, involving the welfare of between fifty and one hundred children.

Filiation proceedings—eight complaints filed, seven warrants issued, hearings had in four cases, one case reported to the District Attorney, resulting in an indictment.

These various cases investigated and heard have involved the usual charges relating to children, such as juvenile delinquency and lack of proper care, and failure to support on the part of the parents. In the greater number of these cases, after trial and hearing, improved conditions have resulted without the necessity of commitment or punishment; although in some cases it has been necessary to commit juvenile delinquents to institutions provided for such purpose; and a large additional number have been placed on probation in the care of Mr. Franz H. Moak, the County Probation Officer.

Many cases have purposely been held open from time to time so as to keep the offenders within the jurisdiction of the Court.

I have each year expressed my appreciation of the valuable assistance rendered me by Mr. William A. Hennessy, Superintendent of the Saratoga County Department of the Mohawk and Hudson River Humane Society; and by Mrs. Caroline A. Slade, Secretary of the Saratoga County Board of Child Welfare.

Mr. Hennessy and Mrs. Slade perform a large part of the really valuable work of the court, acting as Commissioners and investigators in practically all cases, and attending upon all hearings. I have found by experience that the proper management of these difficult problems depends in large part upon careful investigation by experienced and capable persons, and that the work of the court cannot be properly conducted without this.

I also express my appreciation of the valuable services rendered by Mr. Frank B. Howe, Jr., Clerk of the Children's Court.

Mr. Howe's salary was fixed, when the court first commenced to function in this county some three years ago, at the sum of $1,200.00 per year, but as the proper performance of those duties requires his constant attendance at the Children's Court Chambers, and practically continuous attention to his duties, I do not believe that this compensation is at all adequate, and I respectfully recommend that your Honorable Board at the present session increase the salary of the Clerk of the Children's Court to at least $1,500.00.

Dated, November 1st, 1925.

Respectfully submitted,

LAWRENCE B. MCKELVEY,
Saratoga County Judge, and Judge of the Children's Court of said County.

On motion duly made and adopted the Chairman appointed Messrs. Eddy, Thomas, Cromie and Burt a committee to draft resolutions on the death of George H. Van Wie, the oldest member from point of service of this Board.

The Chairman announced the appointment of Mrs. Schreiber as member of the following committees to succeed her father Mr. Van Wie; Equalization, Assessment Roll footings, Tuberculosis Hospital Accounts, and Roads and Bridges Accounts; also announced the appointment of Mr. Turpit to fill vacancy on the Law and Finance committee, all other committees to stand as previously announced.

On motion duly made and adopted the Chairman appointed the following members as a committee for the County canvas: Messrs. Bailey, Thomas, Springer, King, Matteson, Clark, Cromie, Cronin.

On motion of Mr. Thomas duly adopted the Board took a recess until Thursday, at 10.30, to allow for the County canvas.

J. R. WHITNEY,
Clerk.

SECOND DAY

Thursday, Nov., 12th, 1925.

REPORT NO. 1

STATE OF NEW YORK

STATE BOARD OF CHARITIES

ALBANY, N. Y.

October 26, 1925.

Mr. E. A. Curtis,
Chairman, Board of Supervisors of Saratoga County
Court House
Ballston Spa, N. Y.

Dear Sir:

In accordance with a resolution of the Board, there is inclosed herewith, for the information of the Board of Supervisors, copy of report of recent inspection of the Saratoga County Tuberculosis Hospital, Middle Grove, N. Y. We are pleased to note the continued progress in the development of the hospital and the improvements which have been accomplished during the past two years. Careful consideration should be given to the desirability of larger and better provision for the care of children. A separate children's pavilion is very desirable since patients of this age are frequently the most hopeful cases.

Yours very truly

CHARLES H. JOHNSON,
Secretary.

Names and location of overcrowded wards, if any: None.

III. IMPROVEMENTS AND CHANGES

(P. R. indicates action taken to remedy a defect previously mentioned in reports of State Board of Charities)

P. R. 1. A new water supply system has been installed.
2. The kitchen ceiling has been replastered and the kitchen painted. Both bathrooms in the infirmary have been repainted.
3. Ten new steel lockers have been installed.
4. A Hudson Sedan has been purchased.
5. New pianos have been purchased for the nurses' home and the superintendent"s cottage.
6. New screens have been made for the East pavilion.
7. An automatic pump has been installed in the central heating plant.
8. Three camp buildings and a mess hall have been built for a summer camp for undernourished children.
9. Improvement of the grounds has continued.
10. The electric wiring has been overhauled and all exposed wires placed under ground.
11. An appropriation has been made for a new refrigerating system.
12. A new transformer has been installed in the X-ray room.
13. A new high pressure boiler has been installed.

IV. RECOMMENDATIONS AND REMARKS

The outstanding feature of the year has been the provision of an adequate water supply system at a cost of over $50,000. The work included building a dam and the backing up of a 115 acre reservoir giving a surplus of 32,000,000 gallons of water. This operates an automatically controlled electric equipment in the power house incorporated in the concrete dam. A pumping station in the same power house forces an 8 inch stream of water a distance of over a mile to an elevated tank of 50,000 capacity located near the buildings which in turn supplies the buildings, the provisions for fire protection including a sprinkler system and four hydrants.

The plant is in excellent repair and generally suitable except that the small children's ward is insufficient to care for the number of children in the hospital and is usually utilized for infirmary cases. A separate children's pavilion should be the next improvement. The men's pavilion is inferior to the other buildings and should ultimately be replaced. Other needed changes include the provision of more adequate bunker facilities and the removal of the old icehouse which is an eyesore.

Cleanliness and order were excellent throughout the buildings. Patients apparently receive suitable medical and nursing care and seemed comfortable and contented. The nursing staff consists of six nurses two of whom are graduates.

Records are well kept and indicate adequate treatment. Facilities for laboratory and X-ray work are good. An Alpine lamp is employed to a considerable extent, and heliotherapy is used in selected cases.

The summer camp, while financially separate, is administered as a part of the institution under the control of the Superintendent. At the time of inspection six boys and sixteen girls were in the camp. The buildings are suitable for their purpose, have adequate sanitary facilities and were in good order.

V. SUMMARY OF PRINCIPAL NEEDS AND DEFECTS

("R" indicates a defect repeated, "A" one not occurring in the last report of general inspection)

R. 1. A separate building for the care of children is needed.
R. 2. Provision is not made for the education of the children in the hospital.
R. 3. The section of road between the hospital and the new State Road should be improved.
R. 4. A more adequate recreation room is needed. At present the dining room is used for entertainments at considerable inconvenience.
A. 5. Additional coal storage facilities are needed.

Respectfully submitted,

DAVID W. PARK,
Inspector.

REPORT NO. 5

To the Honorable Board of Supervisors of Saratoga County:

Your Special Committee, appointed to revise the equalization of the various tax districts of Saratoga County, respectfully offer the following Report:

Beginning on the 22nd day of June, your Committee first obtained a complete list of sales of real property in each tax district in the County (except Saratoga Springs, where there had been a Special Committee at work for the City and made at least a 100 per cent assessment), accompanied in practically all cases by the Supervisor and Assessors; looking over properties sold, comparing the sale price with the assessed valuations and comparing properties sold with similar properties not sold, for a period of two years—1923 and 1924.

Based upon this list of sales for two years, with the information we were able to obtain from the Supervisor and Assessors, we were enabled to pick out the legitimate sales, from which we made the following table of rates for the various tax districts, including in which is credit to any tax district that has made a general raise in assessment for this year.

We recommend the adoption of the following table of rates and offer the suggestion of continuing this method of fixing the equalization of the County for at least another two years:

Ballston	51%	Mechanicville	62%
Charlton	65	Milton	48
Clifton Park	67	Northumberland	49
Corinth	65	Moreau	36
Day	64	Providence	50
Edinburg	54	Saratoga	48
Galway	49	Saratoga Springs	100

RESOLUTION NO. 3

By Mr. Parkis:

Resolved, that an appropriation of $500. be and it hereby is made to the Town of Galway for the purpose of improving with gravel the road leading to the Homestead Sanitarium from Mosherville to the Providence town line, and the County Treasurer is hereby authorized to borrow said sum by temporary certificates of indebtedness on the faith and credit of the County, and to pay over the same upon the certificate of the County Superintendent of Highways.

Over under the rule.

On motion of Mr. Garrett duly adopted Board adjourned until Monday 10:30 A. M.

The committee named to draft resolutions upon the death of George H. Van Wie presents the following:

In the death of George H. Van Wie Saratoga County has lost a man of outstanding public usefulness. For nearly twelve years he had served as a member of this Board, and twice had been its chairman. His counsel and advise were invaluable. Quiet and unassuming in manner, straightforward in his dealings with others, sound in judgment, progressive in thought, actuated only by the highest motives of public good, he attained a position of commanding influence on this Board and throughout the county.

It is with the deepest regret that we record his passing. The memory of his kindly nature and substantial unselfish service will continue with all who knew him as an incentive to higher achievement.

EDWARD W. EDDY,
E. K. THOMAS,
W. N. CROMIE,
VAN WYCK BURT.

On motion of Mr. Thomas, seconded by Mr. Cromie, the memorial was adopted by a standing vote, and the Clerk instructed to send copies to the family of Mr. Van Wie.

SARATOGA COUNTY TUBERCULOSIS HOSPITAL
(Homestead Sanitorium)

Middle Grove, N. Y.
November, 1925.

To the Honorable Board of Supervisors,
Ballston Spa, N. Y.

Gentlemen:

I hereby respectfully submit the annual report of the Homestead Sanitorium for the year ending October 31, 1925 for your consideration.

The past year has been one of steady progress in the affairs of the hospital. The fine co-operation of the Supervisors, Managers and Superintendent is building for this county a monument for whom all that has been interested in the work may feel justly proud. The report of the inspection of the hospital plant by the State Board of Charities for this year is very complimentary for the work that is being done. No adverse criticisms were noted. There were however, several wise recommendations for future improvements which we trust that your Board will give careful consideration. The first of these was the need of a children's pavilion to care for the large number of children who are positively infected with tuberculosis, for contacts and for those that are undernourished. The camp conducted the past summer has demonstrated the fact conclusively the immense benefits that could be given this group if it were possible to continue such welfare activities throughout the year. Tuberculosis is primarily a childrens' disease and nearly all at that age of maturity harbor the germs in varying quantities, depending upon previous environment and care. In the well nourished child little is to be feared from the periodical invasions of Tuberculous bacteria that have been made upon its body. The strong resistant body of the healthy child will hold the disease in check, in fact, the restrained activity of the bacteria builds up in the system a certain immunity which is a safe guard in after life. The undernourished child on the contrary is in grave danger, its' body offers slight resistance to the infective organism which finds ideal soil for its growth, usually in the glands at the root of the lungs which we recognize as the most incipient stage of the disease and in which care and treatment at this time will surely overcome. Later from this point it may spread to the lungs or any of the tissues of the body and becomes a chronic condition which even if it may not distroy life, means years of sacrifice to the purpose of getting well and a reduced capacity to engage in the affairs of life work.

Mention is made in this report of the Association of the need of better roads and it is earnestly recommended that your Board take under consideration at this meeting the building of a substantial road from the hospital to the Broadalbin-Saratoga State Highway. Traffic over this road is increasing in direct proportion to the growth and importance of the hospital. From a remote and little known institution, Homestead has grown in popularity and importance far beyond the boundry lines of the county and the fact of its poor accessibility over the last few miles to the hospital detracts in no small measure from the dignity that the institution and its approaches should enjoy. As has been frequently pointed out and which all members of your Board who are familiar with country roads in the springtime will concur, this little stretch of road is practically out of commission so far as automobile traffic is concerned long after the state roads have been cleared of the winters' snows. If your Board cannot see your way clear to appropriate a sum sufficient to cover the expense for the entire work at this time it is suggested that a part of the work might be provided for now and the remainder at some future time.

Another item to which our attention was directed in this report was the unsightly method we are forced to adopt in the matter of storing coal for the winter and in which it recommends' that a coal bunker be built. Your committee on hospitals visited the plant during the summer and approved the suggestion of the Superintendent that this condition should be remedied. We believe that a coal bunker can be built by local help and the help of the hospital employees with a minimum of cost to the county.

A much needed improvement for the hospital is an adequate and satisfactory telephone service. Probably this is the only hospital in the state that is served with a party line. The line is old and worn out through long service and it is absolutely impossible at times to get satisfactory connection even with nearby points and most messages have

to be relayed through the central office at Galway. In view of the many subscribers on the line privacy of communication is absolutely out of the question. A new and modern switchboard is to be installed at the Galway central this year and with a new and direct line running to this central from the hospital, good telephone service should be assured. The cost of such a line would approximate a $1,000. dollars. It is hoped that your Board will provide us with this service.

IMPROVEMENTS DURING THE YEAR 1925

Hydro-Electric Power Plant

This plant authorized by your Board the previous year is in full and satisfactory operation, furnishing to the hospital an abundance of electrical energy for present and future needs. During the dry spells the waters of Lake "Nancy" were conserved by shutting down the plant at night and operating from the storage batteries. It has been gratifying to see how quickly the lake fills even with moderate rain falls and we believe that if the forests about the lake can be conserved there will never be a serious shortage of water except in very prolonged drouths. An unfortunate condition presented itself in the spring when part of the old dam that was incorporated in the new structure broke through, fortunately however, injuring no part of the new work. We cannot see where responsibility for this damage can be placed on any persons, it was considered by the engineers in charge of the work and by the State engineer to be perfectly competent to withstand any pressure to which it might be subjected, seepage occurred however either from the burrowing of water rats or improper filling or both which gradually undermined the structure and caused its collapse. Repairs were quickkly made without cost to the county from the hospital receipts for the year which your Board authorized used for this purpose.

Sprinkler Ssytem

This system completed early in the year has proved satisfactory in every way. No leakage above the normal has occurred in any of the piping or valves ,and pressure, both air and water are easily maintained. The elimination of fire hazard from the hospital plant is appreciated by everybody.

High Pressure Boiler

It was necessary to install on short notice a new boiler for operation of the laundry and sterilizers. The boilers in use was comdemned by the State Inspector of boilers and the insurance underwriters and operation on more than fifteen pounds pressure was prohibited. A new boiler of the Scotch Marine Type was installed and paid for from the hospital funds.

Painting and Screening

The entire hospital plant with the exception of the Nurses' Home was given one coat of lead and oil during the early spring months and new screens were made for the Infirmary and Womens' Pavilion. This work was all done with funds of the hospital maintainance, no extra appropriation being requested.

Cold Storage Plant

At the meeting of your Board in August of this year the construction of a cold storage plant at the hospital was authorized and the sum of $3,500 was approved for this purpose. Specifications were prepared calling for the construction of a concrete, cork line refrigerator to be installed in the basement of the hospital directly under the present ice boxes of about 350 cu. ft. capacity, and for the installation of an ammonia plant of one ton capacity to be operated from the power house. Bids were advertised for these two items separately. The successful bidders were, Shipley Company of Albany, N. Y. for the electrical machinery installation and The Armstrong Cork and Insulating Company, Inc. for the construction of the ice boxes. Though actual work oof construction has not begun at the time of writing of this report, assurance is given that there will be no delay in the shipment of necessary material for construction.

Childrens' Camp

The sum of $6,000. was appropriated by the Board of Supervisors in February of this year for the maintainance of the Childrens' camp on the hospital grounds, in May following, one half of this sum or $3,000. was awarded from the State for the same purpose, releasing back to the county of Saratoga $3,000. of the sum appropriated. Of the $6,000. available for the work of the camp, $2,576.76 was expended for salaries and expenses of nurses and employees and $2,996.45 for the maintainance of the camp, leaving a balance of $426.79 to be refunded to the State and County. Several improvements were made in the camp equipment this year, the expenses which was met by funds in the hands of the County Tuberculosis Committee derived from the sales of Christmas seals. Two buildings were erected, one providing for increased housing of children and the other a bath building. Two 40 gallon tanks heated by oil burners was installed in the mess hall provided hot water for all purposes and sanitary bath tubs and wash sinks were installed in the bath house and connected with the hospital sewage disposal system.

Extermination of Blister Rust

The sum of $500. was appropriated at the August session of your Board for the purpose of exterminating blister rust from the hospital forest. The work was performed under the personal supervision of Mr. R. N. Hutchinson of the United States Department of Agriculture. Mr. Hutchinson's report is appended to which your attention is respectfully invited.

The fiscal year just closed marks the passing of another mile stone in the successful operation of the hospital. The percentage of patient personel exceeds that of any previous year by four percent, demonstrating the gaining popularity of the institution. The high percentage of improved and arrested cases and the low mortality give continued testimony to the work of the hospital as a fitting place for the treatment of Tuberculosis. With few exceptions patients have been happy, contented and generally appreciative for the treatment they have received. In an institution of this nature the long period of hospitalization necessary in most cases is conducive to mental unrest and discontent. The management has endeavored to meet this condition with various forms of mental recreation, and to a large degree successfully. Occupational Therapy still occupies first place as means to this end. Many of the older patients have become very expert in the work taught in this department, and their products find ready sale. Moving Pictures still continue as ever popular, shows being given bi-weekly, on Tuesday and Friday evenings. Pianos, victrolas, radio and holiday entertainments give the necessary variety to detract the patient's mind from his condition and is a very material aid in the successful treatment of Tuberculosis.

In closing I wish to thank the Board of Supervisors and the Board of Managers for their continued co-operation, a co-operation that has made the conduct of this hospital a real pleasure. I wish to thank the Nurses and Employees for their loyal support and for the real interest they have shown, as evidenced in the quality of their work. I wish to thank the patients themselves who by their cheerful acceptance of the cross that has been placed upon them have aided as materially in sustaining the high morale which has attained throughout the year.

Respectfully Submitted,

A. R. DIMOCK, M.D.,
Superintendent.

REPORT OF THE UNITED STATES DEPARTMENT OF AGRICULTURE AGENT ON THE CONTROL OF BLISTER RUST IN THE HOMESTEAD SANITORIUM FOREST.

On July 14, 1925 an inspection was made of the white pine area connected with the Homestead Sanitorium for the fungus disease, White Pine Blister Rust. At this time the disease was found in several young white pines, and at the same time the spreaders of the disease, the currant and gooseberry bushes, were found in abundance on the area. Later as the control methods were in progress other infections were found. However, the number of trees showing the disease is small in comparison with the total number of growing white pine trees on the area.

During the early part of the month of August, the Honorable Board of Supervisors passed an appropriation to be used in co-operation with the New York Conservation Commission and the Bureau of Plant Industry, United States Department of Agriculture, for checking the disease and allowing the healthy young pine a future in which to reach maturity. Following the appropriation, a crew of five men were organized, and a lineman and foreman secured. The eradication of currant and gooseberry bushes started August 17, 1925 and continued until September 11, 1925. In the early part of the month of September the leaves of the currant and gooseberry bushes started to drop, and at this time is became necessary to discontinue the work until the spring of 1926.

Approximately three-fifths of the area was covered in removing the currant and gooseberry bushes. The results and the costs of the work at the Homestead, to date, is as follows:

Number of wild gooseberry bushes pulled	4,315	
Number of wild red currant bushes pulled	3,433	
Number of skunk currant bushes pulled	3,125	
Total number of currant and gooseberry bushed pulled	10,873	
Appropriation by the Board of Supervisors		$500 00
Salaries of men working in crew (78¼ eight hour days)		$273 88
Balance on hand for completing the work		$226 12
Crew foreman (paid by State)		72 90
Crew lineman (paid by State)		47 25
Total salaries paid by State		$120 15

Through protecting the white pine of the Homestead Sanitorium grounds, one step towards conservation is being accomplished. There is another project that the Board of Managers could well afford to consider in bringing the forested area into a more productive condition. In the northern part of the area, there are approximately thirty (30) acres of old fields that should be reforested. These old fields are suited for the growing of white pine and could be planted at a comparatively low cost per acre.

Respectfully submitted,

R. M. HUTCHINSON,
Blister Rust Control Agent.

SARATOGA COUNTY CLERK'S OFFICE
Ballston Spa, N. Y.

November, 20th, 1925.

To the Honorable Board of Supervisors of Saratoga Co., N. Y.

Owing to the extra matters which have been added to the County Clerk's duties, such as the issuance of Automobile plates, Operator's and Chauffeur's licenses, the time which can be applied toward searching is necessarily shortened. Searching has increased considerably and on account of this, and the fact that these other matters require a great deal of attention it has become quite a problem to satisfy the public, and with my present force it is impossible. Frequently the searching is two weeks behind.

I therefore request that your Honorable Board authorize me to employ an assistant searching clerk, and that you fix the amount of his salary.

Yours respectfully,
JOHN F. HENNESSY,
County Clerk.

REPORT NO. 22

To the Honorable Board of Supervisors of Saratoga County:

The Equalization Committee, since the submission to the Board of Report No. 5, has held a conference, at which Daniel R. Spratt, Deputy Tax Commissioner of the State of New York, in Charge of Local Assessments, and representatives of the Cities of Saratoga Springs and Mechanicville were present, for the purpose of discussing the proposed Equalization Table.

As a result of this conference, the State Tax Department had its representative, Mr. Moyer, check over with your Committee the reports of sales in the various towns and cities of the County, using the information gathered by the State Tax Commission, as well as that of the Equalization Committee of the Board.

And, after careful consideration, the Committee offers the following table, as an amendment to that heretofore submitted, and recommends its adoption:

Ballston	54%	Mechanicville	62%
Charlton	62	Milton	48
Clifton Park	67	Northumberland	49
Corinth	65	Moreau	41

REPORT NO. 25

Waterford, N. Y., Nov. 24, 1925.

To the Honorable Board of Supervisors of Saratoga County:

The undersigned County Sealer of Weights and Measurers respectfully submits the following report for the past year ending Nov. 1, 1925.

I have officially inspected in the County of Saratoga:

		Condemned
17	Wagon scales	0
133	Platform scales	5
197	Counter scales	9
10	Spring Balances	1
24	Beam scales	0
276	Computing scales	25
14	Prescription scales	0
44	Miscellaneous scales	3
112	Dry measures	8
55	Liquid measures	3
50	Automatic guages	1
254	Gasoline pumps	20
8	Miscellaneous	2
496	Avoirdupous weights	8
171	Apothecary weights	3

When these devices are inspected and found correct a seal is affixed, but this does not mean that these devices are correct for all time. They may be changed either accidentally or on purpose after the inspection.

The Seal only indicates that they were correct at the time of inspection.

The duties of the Sealer of Weights and Measures is to see that the weighing and measuring devices are correct, so that not only the general public will be protected but the store keeper as well.

I have had a number of complaints about gasoline pumps being short and have investigated each one and have found the pumps giving the right amount.

It is quite essential that a gasoline pump should be primed the first thing in the morning or after it has stood idle for 6 or 8 hours as it is liable to give short measure the first time it is used after standing idle for any length of time.

It might be interesting to the public to know that I have found more gasoline pumps in the County giving over measure than those giving under measure.

The following is a correct inventory of the property of the County used in my department and in my custody.

Weights		Capacity Measures		Apparatus	
50 lb. weights	10	5 gallon	1	1 yard measure	
25 lb. weights	1	1 gallon	2	1 dry measure guage	
10 lb. weights	1	½ gallon	1	1 portable balance	
5 lb. weights	1	1 quart	1	1 barrel guage	
4 lb. weights	1	1 pint	1	Tools	
2 lb. weights	2	½ pint	1	1 seal press	
1 lb. weights	1	1 gill	1	1 sealing die	
8 oz. weights	1	Glass graduate ..	1	1 condemning die	
4 oz. weights	1			1 pliers	
2 oz. weights	1			1 slicker plate	
1 oz. weights	1				
½ oz. weights	1				
¼ oz. weights	1				
1-16 oz. weights ..	1				

In closing I wish to extend my thanks to the members of the Board of Supervisors for their many courtesies.

Respectfully submitted,

HARRY R. DAVIDSON,
County Sealer of Weights & Measures.

SARATOGA COUNTY CLERK'S OFFICE

Ballston Spa, N. Y.

Dec. 1st, 1925

Mr. J. Richard Whitney,
Clerk of the Board of Supervisors,
Ballston Spa, N. Y.

Dear Sir:

The following is a copy of section 92-a of the Town law. Will you kindly read it to the board?

"92-a. Town Clerk's undertakings. Every Town Clerk hereafter elected or appointed shall, within thirty days after entering upon his duties of his office, make and deliver to the supervisor of the town his undertaking, with such sureties as the town board shall prescribe, in a penal sum not exceeding one thousand dollars, to be determined by the town board, to the effect that he will well and faithfully discharge his official duties as such town clerk, and that he will well and truly keep, pay over and account to the proper board, officer or commission of the town, state or county, and account for, all moneys and property going into his hands in his official capacity; and such undertaking shall, after its execution, be presented by the supervisor to the town board for their approval as to its form and the sufficiency of the sureties thereon. Until such undertaking shall have been approved, none of the moneys, books, documents, papers or property of the town, county or state shall be turned over or delivered to such town clerk elect. **After the approval of such undertaking, the supervisor shall file the same in the office of the County clerk."**

Yours very truly,

JOHN F. HENNESSY, County Clerk.

CHAMBERS OF THE SURROGATE'S COURT

County of Saratoga

Saratoga Springs, N. Y.

November 30, 1925.

To the Honorable Board of Supervisors,
Ballston Spa, N. Y.

Gentlemen:

Enclosed I am sending you the report of the Clerk of the Surrogate's Court of fees and disbursements for the current year and call your attention to the fact that the amount of fees received this year is greater by 20% than for any previous year.

There are some recommendations which I will be pleased to make to the Board and should be happy to have you appoint a time that I could appear before your Board.

Very respectfully yours,

GEORGE O. TUCK,
Surrogate.

Received and ordered printed.

SUPPLEMENTAL REPORT, NO. 30

SARATOGA COUNTY CLERK'S OFFICE

Ballston Spa, N. Y.

December 3rd, 1925.

To the Honorable Board of Supervisors of Saratoga County, N. Y.

Gentlemen:

The mortgage tax on the following mortgage has been apportioned by the State Board of Tax Commissioners.
International Paper Co., mortgage, dated May 1st, 1925,
to
Bankers Trust Co., Trustee, recorded May 1st, 1925, Book 238, page 179.
The amount of mortgage tax apportioned to the Town of Corinth is $18,215.85, and the amount of mortgage tax apportioned to the Town of Moreau is $5,823.68. A check for the above amounts has been sent by me to the County Treasurer.

Yours very truly,

JOHN F. HENNESSY,
County Clerk.

REPORT NO. 31

SARATOGA COUNTY TREASURER'S OFFICE

Saratoga Springs, N. Y.

Nov. 30, 1925.

Honorable Board of Supervisors,
Ballston Spa, N. Y.

Gentlemen:

Herewith I hand you lists of Rejected Taxes of the year 1924 for re-levy on the 1925 tax rolls.
Your attention is respectfully called to the fact that the School Tax Items on these lists should be placed in the Back School Tax Column on the tax rolls. When this is done in-correctly it often is the cause of the rejection of the item by the State Comptroller and thus a loss to the town.
School Taxes from the Delinquent School Tax lists which will be sent you very shortly should be placed in the First School Tax Column on the tax rolls.

The totals of the lists sent you today are:

Ballston	$274 91
Clifton Park	917 06
Corinth	137 15
Day	439 86
Edinburg	555 70
Galway	385 40
Greenfield	1159 47
Hadley	591 73
Halfmoon	668 45
Malta	456 24
Milton	712 81
Moreau	806 18
Northumberland	151 22
Providence	334 14
Saratoga	1766 33
Stillwater	1181 32
Waterford	923 71
Wilton	4 92
Total	$11466 60

Respectfully submitted,

WILL W. BLACKMER,
County Treasurer.

SUPPLEMENTAL TO REPORT NO. 8

SARATOGA COUNTY TREASURER'S OFFICE
SARATOGA SPRINGS N. Y.
WILL W. BLACKMER, County Treasurer
ARTHUR I. BUMSTEAD, Deputy Treasurer

December 3, 1925.

Hon. Board of Supervisors,
Ballston Spa, N. Y.

Gentlemen:

I am in receipt this morning from the County Clerk of $24,039.53, Mortgage Tax.

He advises that $18,215.85 is apportioned to the town of Corinth and $5,823.68 to the town of Moreau. I understand that you wish to apportion this at this Session of the Board; therefore, please consider this as supplementary to my regular mortgage tax report. The amount to be apportioned is one-half the gross received or $12,019.76.

Yours very truly,

WILL W. BLACKMER,
County Treasurer.

REPORT NO. 32

SARATOGA COUNTY LABORATORY
THE SARATOGA HOSPITAL, SARATOGA SPRINGS, N. Y.
ADA L. BAILEY, Bacteriologist

November, 1925.

Subject:—Report on Laboratory Work.

The laboratory work for the past year has consisted almost entirely of routine examinations.

The attached detail report shows a decrease of 874 examinations. However, since there was a decrease of 1966 throat cultures the actual amount of work done was greater than in the previous year.

It is an inspiration to work in association with the director of the Hegamen Memorial Laboratory—a medical man with broad laboratory training and experience.

Dr. King has agreed to serve as nominal director for the coming year. Three autopsies have been performed during the past year. These add greatly to the laboratory service.

By a ruling of the State Attorney, we received a grant of $2,500. for new equipment. With this money we have had a cement walk laid to the laboratory door and a roof built over the doorway. We have also built new storage cupboards, and added to our laboratory equipment a binocular microscope, a Chainomatic balance, a new Torsion balance, a Frigidaire, a library table and magazine closet. It is because of this extra money for equipment that we did not spend the entire amount of our appropriation the past year.

It is the plan for the coming year to spend more time in the study of special problems. At present a little work has been begun with the throat cultures from scarlet fever suspects.

The laboratory staff remains the same as in the preceeding year. It is planned to add a part time helper.

During the year the Board of Managers have met several times to audit bills and talk over the affairs of the laboratory.

We feel that the laboratory is being used more and more as an aid in diagnosis.

We are attaching the proposed budget for the coming year. The City of Saratoga Springs have included in their Health Budget $1,000. for laboratory work. If we can have State Aid an appropriation from the Board of Supervisors for $4,000.00 ought to carry us nicely if no emergency arises.

We wish to express our appreciation for the interest and support of the Board of Supervisors.

Respectfully submitted,

for F. J. RESSEGUIE,
Chairman of The Board of Managers.

Bacteriologist.

RESOLUTION NO. 91

By Mr. Burt:

Whereas, Section 28-A of Chapter 281 of the Laws of 1917 authorizes the Board of Supervisors of any County in New York State to appropriate such sums of money as it may deem proper for the purpose of encouraging and promoting the general improvement of agriculture in that County, and

Whereas, The Saratoga County Farm Bureau Association organized for the purpose, is cooperating with the State College of Agriculture, in the maintenance and support of a Farm Bureau in this County, and has assumed the local responsibility and direction of the work, and

Whereas, the Legislature has provided funds to be expended at not to exceed the rate of Six Hundred Dollars ($600.00) per annum and the New York State College of Agriculture has set aside federal Smith-Lever funds to be expended at not to exceed the rate of Nine Hundred Dollars ($900.00) annually (total $1500.00) to assist in paying the salary of a County Agent in each County of the State contingent upon the raising of not less than Eighteen Hundred Dollars, ($1800.00) by the County.

Therefore, Be it resolved that the sum of Four Thousand Dollars ($4,000.00) be and hereby is appropriated towards the maintenance of the agriculture department of the Farm Bureau in Saratoga County for the calendar year beginning January 1, 1926, and ending December 31, 1926, to be expended in accordance with the budget duly submitted to this Board of Supervisors

The County Treasurer is hereby authorized and directed to pay the said sum of Four Thousand Dollars ($4,000.00) in four equal quarterly installments of $1,000.00 in advance on the first day of each quarter beginning January 1, 1926, to the duly elected and properly bonded Treasurer of the Saratoga County Farm Bureau Association, conditioned upon the said Saratoga County Farm Bureau Association securing a membership of five hundred members when the same shall be available.

The Chairman of the Board of Supervisors of Saratoga County is hereby authorized and directed to sign the form memorandum of agreement bearing the date of ..... duly approved, as to form, by the Comptroller of the State of New York, executed by the Farm Bureau Association of Saratoga County, and approved as to substance by the State Leader of County Agents, outlining the above conditions and methods of payment and directing the above association to expend the funds only for the purpose set forth in the said budget of said association referred to herein and requiring annual report at the end of the year containing there in a true and accurate account of all receipts and expenditures of said County Association for the fiscal year.

SARATOGA COUNTY COMMITTEE ON TUBERCULOSIS AND PUBLIC HEALTH

To the Honorable Board of Supervisors of Saratoga County:

Ballston Spa, N. Y.

Gentlemen:

In behalf of the Saratoga County Committee on Tuberculosis and Public Health under whose auspices the work for children was conducted the past year both in the Childrens Camp at Homestead and throughout Saratoga County especially in the small towns and in the rural districts we would respectfully refer to the work done during the past year under the joint appropriation of your Board and the State Department of Health. The work accomplished was so satisfactory and met such apparent needs that it must certainly commend itself to your Board and to every citizen of our county.

Last year you appropriated $6,000. for the work of the committee along the lines of preventive lines and of that amount approximately $5,500. has been expended. The state of New York through its Health Department re-imbursed your Board for 50% of that amount.

In addition our committee built on the sanatarium Grounds two permanent buildings in addition to the four temporary buildings that had already been erected.

In order that this work may be continued and extended we would respectfully request of your Honorable Board an appropriation of $6,000.00 for the year 1926.

The committee begs to express to the Board its deep appreciation of the support given during the past year.

Respectfully submitted,

HORACE J. HOWK,
President.

CHAMBER OF COMMERCE, INC.
SARATOGA SPRINGS, N. Y.

December 9, 1925.

To the Honorable Board of Supervisors:

The Chamber of Commerce at a meeting last night, of a special committee, held at the Saratoga Club, passed a resolution asking the cooperation of all societies, and building trades in cooperating with the Chamber to get behind the State Reservation to secure the monies due them from the recent bond issue, voted by the people of the State, and I, as President, of the Chamber of Commerce, am asking you to appoint a Committee of fifteen of your Organization, that will be willing to go to Albany when called upon, if it should be necessary for a public hearing at the Capitol.

The time has arrived when we ought all to work together for the common good for the development of our natural resources of Saratoga Springs, not only as a State, but as a nationally known resort, where baths and healing waters can be obtained.

To this end, I am asking you to cooperate with the Chamber and an early reply will be appreciated.

Yours very truly,

CLARENCE R. PARMENTER,
President.

REPORT NO. 36

ANNUAL REPORT

SUPERINTENDENT ROADS AND BRIDGES

To the Honorable Board of Supervisors:

Gentlemen:

My annual report to the Board of Supervisors of Saratoga County, covering such matters to which the county contributes, is hereby submitted. A tabulated report, covering both county and town matters, will be submitted to the Highway Department during the month of January. This report can not be made at this time due to changing the close of the highway year from Nov. 1st to January 1st.

Your Board at a special session held March 18, 1925 authorized the construction of the following roads of width and type as follows:

BALLSTON

In the town of Ballston construction was continued on the road on which construction was started in 1923. This road is Bituminous Macadam having a ten (10) inch sub base of field stone on which is to be placed a (3) inch Bituminous top, the metal section being fourteen (14) feet wide. In 1924 6-10 of one mile was finished and the bottom course laid for an additional distance of one-half (½) of one mile. The work done in 1925 has been the grading and draining and laying of sub base a distance of 93-100 of one mile. The work to be done in 1926 should be the placing of the top over the one (1) and 43-100 miles of road. Cost of 1925 work has been $9,639.00. This road in the town of Ballston terminates at the west line of the town of Charlton a distance of approximately 1 1-4 miles from the end of the 1925 construction.

CHARLTON

In Charlton 55-100 of one mile of a two course Bituminous Macadam road having a metal section sixteen (16) feet wide beginning at the west line of the hamlet of Charlton and running East through said hamlet has been finished and approximately 1000 cubic yards of field stone drawn to the crusher plant. Cost to date, $9,680.00.

CLIFTON PARK

In the town of Clifton Park a gravel road, metal section 16 and 14 feet beginning at Vischers and running thence easterly through the hamlet of Vischers is under construction. At the date of this report 76-100 of one mile has been finished. Cost $4,452.00.

CORINTH

The work in Corinth has been a continuation of the Bituminous Macadam road beginning at Palmer and with a final termination at the town line near Spier Falls. This road has a metal section 16 and 14 feet wide. At the close of the 1924 season 1 43-100 miles has been finished. During 1925 an additional 53-100 of one mile was completed at a cost of $14,893.00. This road on the 1925 section required some heavy grading of which a large percentage was rock.

DAY

In the town of Day work was continued on the River Road from Day Center south-westerly for a distance of approximately two (2) miles. Cost $6,005.00.

EDINBURGH

In Edinburgh work was continued on the road leading from Edinburgh to the "Fish House." This road is gravel with a metal section twelve (12) feet wide. One mile of this road was finished in 1924. In 1925 an additional 1 3-10 mile has been constructed. Cost to date $5,720.00.

GALWAY

The County road in Galway is a two course Bituminous Macadam road having a metal section 14 feet wide. The road begins at the west line of the village of Galway and ends at West Galway, a distance of 4 3-100 miles. At the end of the 1924 season the grading and bottom course had been completed over the remaining 2½ miles which brought the road to the county line at West Galway. It was thought not advisable to permit traffic to pass over the uncompleted section of the road for another year, and for this reason the top was placed over the entire section and the road finished. The entire cost of this road has been $479.78. or $119.05 per mile, which in my opinion, established a record.

GREENFIELD

In the town of Greenfield the 1925 construction consisted of finishing of 57-100 of one mile of road leading from Kings Station to Porters Corners, and the continuation of the road from Greenfield Center north-easterly to the town line of Wilton. Six-tenths (6-10) of one mile was finished on this road. The type of both these roads is Bituminous Macadam, the metal section of each being ten (10) feet wide. The construction of the Porter section completes the Porter Corners road. Approximately 2½ miles remains of the Greenfield Center road to complete it to the town line of Wilton. Cost of 1925 construction of the 1 17-100 miles on these two roads was $10,444.00.

HADLEY

In the town of Hadley work was continued on the road leading from Hadley to the county line of Warren county, and is known as the Stony Creek road. This road is of gravel having a metal section 14 feet wide. This road is a good example of what can be done with gravel construction where lined and grades are closely followed, and a ten (10) ton steam roller used to solidify both subgrade and surfacing material. In 1925 8-10 of one mile was built. Cost $6,130.00.

HALFMOON

In the town of Halfmoon construction was started on a road beginning at a three corners on the county road running from Middletown to the State Highway Clifton Park-Crescent, thence north-easterly to a three corners, thence northerly past the residence of the late Silas Hayner to a connection with the Mechanicville-Clifton Park State Highway. The road to be of gravel with a twelve (12) foot metal section. Construction was begun at the southern end. To date 1.14 miles has been completed. Cost $5,720.00.

MALTA

In Malta a road leading from the depot at Round Lake to Armstrongs corners, a distance of one and one-half (1½) miles, and which was surfaced with cinders, was found, from the heavy traffic, (moulding sand) passing over it, unsuited to the traffic conditions and it was decided to place a two course Bituminous Macadam top, widths of 14 and 10 feet, over the present cinder surface. The road has been completed from Round Lake westerly a distance of 6-10 of a mile and the bottom course laid from this point to Armstrongs corners. Cost to date $12,479.00.

MILTON

In Milton construction has been continued on the road leading from the west line of the village of Ballston Spa through Broadville and thence along the line of the Kayaderosseras with a final termination at Rock City Falls. This road so far has been built with a ten (10) inch subbase of field stone on which is placed a three (3) inch top of Bituminous Macadam. Its metal section is 16 and 14 feet. An additional ½ mile has been finished in 1925 and ½ mile of grading done with the subbase laid. Cost in 1925 $11,895.00.

MOREAU

In Moreau construction was continued on the River Road which started at the north line of the town of Northumberland and ended at the bridge crossing the Hudson river at Fort Edward. This road has a cinder surface and is completed. Cost in 1925 $5,144.00.

NORTHUMBERLAND

In Northumberland 1925 construction consisted of a continuation of the River Road beginning at Bacon Hill. At the end of the 1924 season 3¼ miles had been finished. This 3¼ miles being surfaced with gravel twelve (12) feet wide. In 1925 the haul of gravel having become such a distance as to be very expensive, and as the road had got beyond the clay section, it was decided to use shale as a surfacing material. In 1925 an additional 1.05 miles has been finished. Cost $5,794.00.

PROVIDENCE

In the town of Providence construction was begun on a road beginning in the hamlet of Barkersville and continuing westerly and northerly to a road on the south bank of the Sacandaga river near the Fish House. The road is to be of the gravel type with a ten (10) foot gravel section. The road for the first mile was through narrow cuts and required the removal of a good deal of earth, which in the hilly country, necessitated the removal of a good deal of rock of the boulder formation. The work, however, as thus far done is very satisfactory and the cost reasonable. To date 1 2-10 miles has been completed. Cost to date $4,474.00.

SARATOGA

In the town of Saratoga work was continued on the road beginning at the Quaker School house and continuing by way of Myers Corners to an intersection with the road on the east shore of Saratoga Lake. The road is of the gravel type with a ten (10) foot metal section. One mile was completed in 1924. In 1925 an additional one-half (½) mile has been completed. Cost $8,101.00.

SARATOGA SPRINGS

In Saratoga Springs a road beginning at a four (4) corners, known as Hoyt's Corners, on the Saratoga-Corinth highway, running thence southwesterly a distance of one and one-quarter (1¼) miles to an intersection with Washington street, was designated for improvement. Work did not begin on this road until September and is still in progress. At this date 3-4 of 1 mile has been finished and 1¼ miles graded. Cost to date, $2,257.

STILLWATER

In the town of Stillwater the road from Arnolds corners through Ketchums corners was completed in 1924 to a point south from Ketchums corners. In 1925 the additional distance 66-100 of one mile, to the south line of the town of Saratoga, has been completed. The total length of this road is 2 37-100 miles, and its cost has been $9,506.69, or $4,011.00 per mile. It is unfortunate from a road standpoint that a deposit of moulding sand has been discovered at Ketchums corners, and the hauling of this sand from Ketchums to the railroad at Wayville spells the distruction of this section of the road. Upon the completion of this road, work was taken up on the County road starting from Stillwater and running thence westerly to Stillwater Center and so on to the south end of Saratoga Lake. The section from Stillwater to Stillwater Center was built in 1922. In 1925 a section .57 miles in length has been finished from Stillwater Center westerly. Cost $2,908.00.

WILTON

In the town of Wilton a road from the hamlet of Wilton to the Stiles corners, a distance of 2¼ miles, was finished in 1924. The remaining distance, 0.34 miles, down what is known as the King or Shackelford hill, has been completed in 1925. From the foot of the King or Shackelford hill southerly along what is known as the mountain road the Board ordered the construction of a two course Bituminous Macadam road having a 14 foot metal section. In 1924 84-100 of one mile of this road was graded and culverts placed. In 1925 a four (4) inch bottom course has been placed over this 84-100 of one mile. Cost of 1925 construction, which includes the Shackelford hill, has been $11,408.00.

WATERFORD

In the town of Waterford work done in 1924 on the east, or what is known as the Cemetery road, was continued to the top of the hill near the Water Tower. The work was of the same character as that done in 1924 viz grading, ditching and surfacing with gravel. Cost of 1925 work was $4,399.00.

In the towns of Corinth, Galway and Malta the amounts appropriated by the county have been exceeded by the following sums:

Corinth	$2,370.80
Galway	4,023 97
Malta	2,095 34

Said amounts to be paid from the 1926 appropriations to the above mentioned towns.

In the case of Galway the reason is stated in the report. In Corinth a section has been graded and bottom and topcourse placed to a length requiring a carload (10,000) gallons of binder, and as less than carload lots cannot be economically obtained, it was decided by the Road Committee to allow this indebtedness to be made.

In Malta it was decided after finishing the first half mile to carry the bottom course to Armstrongs Corners, the end of the cinder road, so that the top, or finishing course, could be quickly placed early in 1926.

RECONSTRUCTION

In 1925 it was deemed good economy to do certain reconstruction work on certain roads; two roads which had become badly worn, rough, and generally in such shape that unless repaired would shortly go to pieces. One of these roads was a cinder surfaced road in the town of Moreau leading from the bridge crossing the Hudson river at Ft. Edward to the corporation line of the village of South Glens Falls, having a length of 3¼ miles. The other road is located in the town of Clifton Park and runs through Jonesville and Elnora to a four corners. It is of the water bound type 16 and 14 feet wide and 1½ miles long. Both of these roads have a heavy traffic of both trucks and pleasure cars. The Moreau road had developed a bad corrogated surface with numerous "pit holes." It was scarafied to a depth of approximately four inches, reshaped, new material added where needed, and rolled. For a month or two it maintained an excellent surface, then corrogations began to develop along with "pit holes," and while better than before is rapidly getting into bad shape again.

The road in Clifton Park had its depressions filled with a cold patch material and was then given a coat of "paving asphalt" applied hot at the rate of one-half gallon to each square yard of superficial surface, screened over with No. 1 and No. 2 stone and thoroughly rolled. Had there been funds available (which there was not) this road was in such bad shape that it should have been scarified, reshaped, rolled and then given a treatment such as stated above. However, the road now has a bituminous seal coat over its entire length, and if given proper care by the town authorities, ought to last for an appreciable period.

OILIING COUNTY ROADS

An early inspection of the Bituminous Macadam roads led to the determination that with two or three exceptions an oil application was not necessary, and that only the gravel and cinder surfaced roads should be oiled. There are 72 miles of such roads and they were oiled in July at a cost for oil and repairs of: For repairs, $8,994.48; oil $10,614.28 or a total of $19,608.76.

SNOW REMOVAL

In the winter of 1924 and 1925 your Board decided to continue the snow removal policy begun the preceding winter on practically all the State built roads in Saratoga county, and in addition the roads leading from the County Sanitarium at Barkersville to the village of Ballston. To accomplish this work three 10 ton and one 5 ton Holt tractors, and four Linn 60s tractors, equipped with snow plows, were used. Three 10 ton Holts and two Linn 60's with plows were owned by the county and two Linns and one 5 ton Holt were leased from the towns of Ballston, Saratoga and Galway. The tractors were located at Mechanicville, Stillwater, Ballston, Saratoga Springs, Schuylerville, Corinth, South Glens Falls and Galway, and the total mileage cared for was 188 1-2, and the average cost per mile was $97.72.

As an experiment the county purchased two miles of snow fence early in 1925. Results were so satisfactory that an additional eight (8) miles has been purchased and erected and it is hoped that by the prevention of bad drifts a material saving in cost, and a more rapid opening of the roads will result.

SCARIFICATION AS A MAINTENANCE PROPOSITION

In my 1924 report I took up atsome length the corrogation—sometimes known as "wash board" elect which, due to motor travel, are appearing on all gravel roads in all parts of the country. These corrogations are ridges usually parallel and from 18 inches to 3 feet apart extending transversely across the road surface. For some unknown reason Saratoga county seemed to be exempt up to three years ago when they began to appear and have continued to increase very rapidly. A road in the outside tax zone of the City of Saratoga Springs, and known as Union avenue, developed these corrogations to such an extent that when possible the road was avoided by people using motor vehicles. In early June the two dual roads running east from the gate of the race track, a section of the hill and a part of the flat was scarified, using a Linn tractor, and the scarifier attached to the Adams grader. The material was then disked with a disk harrow, shaped and rolled and the surface, particularly of the two dual roads, is in excellent shape today.

In 1926 I would strongly recommend that this treatment be given certain roads in this county, particularly with what is knows as the West Milton-Galway road and a two mile stretch of County built road in Halfmoon running west from Crescent. While I do not maintain that this treatment will prove to be permanent, I am very sure that it will give a result far in advance of present conditions and present practice, and at a cost not largely in advance of present cost.

The County owns an outfit that will do the scarifing rapidly and cheaply, and if the towns in which these roads are situated would cooperate financially with the County, good results would be obtained.

I regret to have to report that County built roads are not getting the care—with a few exceptions—from Town Superintendents that they deserve, and as the mileage of this class of roads increases the care and upkeep may have to devolve upon the county with a certain sum per mile of the cost made a town charge.

Respectfully submitted

J. E. HODGMAN,
County Superintendent.

REPORT NO. 37

To the Honorable Board of Supervisors:

Your Committee, to which was referred the matter of printing the proceedings of the Board, respectfully report that The Saratogian, the only printing plant in the County with facilities for doing the work, were requested to furnish sealed bids for printing 2000 copies of the proceedings, and daily copies of the minutes, as heretofore. The bids received were:

The Saratogian ..... $5.75 a page

The Committee, therefore, recommends that the printing contract for the coming year be awarded to The Saratogian.

SARATOGA COUNTY FARM BUREAU

H. B. LITTLE, Mgr.

December 16, 1925.

Board of Supervisors, Saratoga County,
Ballston Spa, N. Y.

Gentlemen:

This is to call the attention of your honorable body to the necessity of more adequate office facilities for the Saratoga County Farm Bureau.

Previous to 1924 the City of Saratoga Springs has furnished offices to this, your organization. The past year it has been necessary for your organization to heat their own offices, and it has always been necessary to close on intense cold days owing to an inadequate heating system.

With added responsibility and work we have reached the point where the loss of time seriously handicaps our activities and appeal to you for an appropriation fo $300 for the renting of more adequate offices.

Very truly yours,

H. B. LITTLE,
Saratoga County Farm Bureau Manager.

REPORT NO. 38

To the Honorable Board of Supervisors of Saratoga County:

Your Committee on County Treasurer's Accounts, respectfully report that they have examined the books and accounts in his office and find the same to be well kept and accurate. A condensed statement of his annual report shows:

Balance on hand at date of 1924 examination	$227,096 47
Total receipts for year ending Oct. 31, 1925	1,614,103 93
Total	$1,841,200 40
Total disbursements for same period	$1,759,306 29
Balance on hand in banks Oct. 31, 1925	81,894 11
Total	$1,841,200 40

Statements from the various banks were examined proving the above balance at the end of the year. Several securities held in Trust by the Treasurer were also examined and the nature of the same carfully explained by Treasurer Blackmer and Deputy Treasurer Bumstead.

Your committee takes pleasure in commending Mr. Blackmer, his Deputy and Assistant upon the accurate and efficient manner in which they handle the vast amount of detail pertaining to his office.

JARED P. CLARK,
HENRY J. SPRINGER,
DANIEL W. CARPENTER.
Committee.

RESOLUTION NO. 124

By Mr. Parkis:

Resolved, That the chairman of the Board be and he hereby is authorized and directed to enter into a lease with the City of Saratoga Springs of the rooms occupied by the Supreme Court Library and Chambers and the Surrogate's Court, for a period of five years commencing January 1, 1926, at an annual rental of Twelve hundred and Fifty Dollars, and also a lease of the rooms occupied by the County Treasurer for a similar period at an annual rental of Four hundred Dollars.

Over under the rule.

RESOLUTION NO. 125

By Mr. Thomas:

Whereas, the Board of Supervisors made its annual tour of inspection of the County Farm on December 9th, 1925, and were exceedingly pleased at the evidence of careful and conscientious management which were manifest on every side; the inmates appear cleanly, cheerful and contented, a fact that speaks highly for Mr. Dunn and his estimable wife, and the Supervisors were also pleased to note the excellent facilities for the care of the sick, furnished by the infirmary, for which the County is indebted to the generosity of the donor; therefore, be it

Resolved, That the earnest commendation of the taxpayers of the County is due Mr. Dunn for his able and thorough managemnt, and be it also

Resolved, That the members of the Board of Supervisors take this method of showing their appreciation of the courtesies shown them by Mr. Dunn and Mrs. Dunn during their visit.

Adopted by the following vote:

AYES—Messrs. Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Garrett, Carpenter, Jump, King, Springer, Thomas, Torrey, Van Rensselaer, Schreiber—16.

RESOLUTION NO. 127

By Mr. Cromie:

Whereas, because of necessary changes in the specifications for the bridge on the Stillwater-Schuylerville highway, to replace the McCarthy bridge, the cost of said bridge, including engineering fees, amounts to Fourteen thousand, seven hundred and sixty-three ($14,763.73) Dollars and seventy-three cents, an increase of $1,341.73 over the amount authorized and appropriated by Resolution No. 3, adopted at the August, 1925 session of this Board.

Resolved, That the cost of said bridge be apportioned as follows:

To Saratoga County, 50 percentum thereof	$7,381 87
To Town of Saratoga, 50 percentum thereof	7,381 86

Further Resolved, That the County Treasurer be and he hereby is authorized to borrow on the faith and credit of the County, on temporary Certificates of indebtedness, an amount sufficient to cover the cost of said bridge, charging the Town of Saratoga with its proportion of such cost.

Further Resolved, That there be levied upon and collected from the taxable property and persons of the Town of Saratoga and paid to the County Treasurer the sum of $7,381.86, the said Town's proportion of the cost of construction of said bridge.

Over under the rule.

REPORT NO. 59

SARATOGA COUNTY TREASURER'S OFFICE

Saratoga Springs, N. Y.

December 4, 1925.

To the Honorable Board of Supervisors of Saratoga County,

Ballston Spa, N. Y.

Gentlemen:

Pursuant to Section 436 of the Education Law I hand you herewith report, affidavits, certificates and accounts covering 1924 Delinquent School Tax paid by me since my last report to you dated December 5, 1924.

I also beg to advise that of the amounts returned to me under this law I have collected a total of $5,042.80 since my last report and to date, making the earnings of 5% fees to the county on this account approximately $240.00.

The following statement shows the district number and name, the amount paid by me to each district. I have also included the amounts to be re-levied and have computed the 7% penalty upon each item so that it will be unnecessary for your Delinquent School Tax committee to do that.

The amounts indicated in the last column below to be relevied by each town or city will be so charged at this office unless changes are indicated by your Delinquent School Tax Committee.

These School Taxes should go in the first School Tax column on the tax rolls and the rolls must show the district number, date of levy, etc., or the items may be rejected later by the state comptroller and thus lost to the town.

It is desireable that the lists be returned to the clerk of the Board of Supervisors and by him to this office as they are very valuable for reference particularly in case of a dispute with a tax payer.

Respectfully submitted,

W. W. BLACKMER,
Treasurer of Saratoga County.

REPORT NO. 60

To the Honorable Board of Supervisors:

The County Roads Committee, pursuant to the authority conferred upon it by Resolution No. 63, reports that it has been unable to lease of the Town of Milton a tractor for snow removal and after investigation the purchase of an additional 10 ton tractor, with steel snow plow, seemed advisable. It has therefore procured a Holt tractor, equipped for snow removal purposes, at a cost, delivered, of $6,050, and has ordered of the Good Roads Machinery Company a steel snow plow of the type adapted to this tractor, at a cost of $2,199.88, $500. of which is allowed for the trade in value of an obsolete plow.

The Committee recommends that the Chairman of the Board be authorized to enter into a contract for the tractor with Slade Brothers, payable one-half thereof February 1, 1926, and one-half thereof February 1, 1927, with interest on the latter payment from February 1, 1926.

A claim for the snow plow is to be presented for audit at the next session of the Board.

Respectfully submitted,

C. M. CRONIN,
WM. N. CROMIE,
JOSEPH W. KING,
Committee.

RESOLUTION NO. 131

Resolution offered by Mr. Curtis levying a tax upon the taxable property of the several towns in Saratoga county for highway purposes as provided by sections 90 and 91 of the Highway Law:

Whereas, The town superintendents of the several towns of Saratoga county have made an estimate of the amount of money necessary to be raised by tax for the improvement of the highways and bridges and other miscellaneous highway purposes of their respective towns, as provided by section 90 of the Highway Law; and

Whereas, The respective town boards have approved or changed said estimates, as provided by section 91 of the Highway Law,

Therefore, Be It Resolved, That the said estimates as approved by the town boards be received and the sum set opposite the name of the respective towns in the column which bears the heading, "Amount of 1st Item" (which is the amount of the First Item in said estimates), be assessed, levied and collected upon the taxable property of the respective towns, exclusive of the property within the limits of the incorporated village or villages of their respective towns which maintain their streets and highways as a separate road district, and be it further

Resolved, That the sum set opposite the names of the respective towns, in the columns which bear the heading, "Amount of 2d Item," "Amount of 3rd Item" and "Amount of 4th Item" (which is the amount of the Second, Third and Fourth Items of said estimates as approved by the various town boards), be assessed, levied and collected upon the entire taxable property of the various towns of Saratoga county, as follows, that is to say:

Name of Town	Amount of 1st Item	Amount of 2nd Item	Amount of 3rd Item	Amount of 4th Item

Wilton	3,164 05	600 00	300 00	1,000 00

And that the several amounts when collected shall be paid to the supervisors of the respective towns, to be paid out by them as provided by law.

I, the undersigned, Clerk of the Board of Supervisors of the County of Saratoga do hereby certify that the foregoing is a true and correct copy of a resolution duly introduced by Mr. Curtis and adopted by a majority of the members of the Board of Supervisors of the County of Saratoga at a regular meeting of the said board.

J. R. WHITNEY,
Clerk of the Board of Supervisors.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

NOES—None.

RESOLUTION NO. 132

By Mr. Springer:

Whereas, in the sense of this Board a tax on gasoline provides the fairest and most equitable method of taxing motor vehicles, not only because such a tax measures the extent of the use of highways by motor cars and the consequent wear and tear thereon, but also because it provides a method of securing a reasonable return from the use of the highways of New York state by non-resident motorists; and whereas such a tax is levied in a large majorit yof the states of the country, and has been found to be equitable and satisfactory as a method of providing revenue for the upkeep of highways, be it

Resolved, that this Board records its approval of a tax upon the sale of gasoline, and recommends to the Legislature of the state of New York and the Governor of the state that suitable legislation be

enacted to the end that the proceeds of such a tax may be applied o the construction, repair and maintenance of highways in the State of New York.

Further resolved, that copies of this resolution be forwarded to the Governor, the Lieutenant Governor, the Superintendent of Public Works and to Senator Brown and Assemblyman Esmond.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

NOES—None.

RESOLUTION NO. 133

By Mr. Cronin:

Resolved, that the report of the County Road Committee relating to the purchase of a Holt ten ton tractor and steel plow for snow removal, be and hereby is accepted, and the chairman of the Board is autorized and directed to enter into a contract for the purchase of such tractor on the terms set forth in the report of the Committee.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

NOES—None.

RESOLUTION NO. 134

By Mr. Burt:

Resolved, that the sum of $200.00 be and hereby is appropriated, to be applied towards the rental of offices for the Farm Bureau, this appropriation being in addition to the the amount provided by Resolution No. 91, payment thereof to be made in the same manner and upon the same terms and conditions as provided in said Resolution, No. 91.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

NOES—None.

RESOLUTION NO. 135

By Mr. Burt:

Resolved, that the sum of Sixteen Hundred Dollars be and it hereby is appropriated for the maintenance charges of the Board of Chlid Wellfare;

Further resolved, that the sum of Five Hundred Dollars is hereby appropriated and made available for the Board of Child Welfare for the purpose of extending assistance to relatives of the second degree, moneys used from said fund to be charged back to the towns liable for the support of the persons thus aided in the same manner as appropriation heretofore made for the use of said Board.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

RESOLUTION NO. 137

By Mr. Springer:

Whereas, it has been brought to the attention of this Board that it is proposed to discontinue the public use of the bridge over he Mohawk river between Scotia and Schenectady upon the completion and opening of the new bridge, known as the Great Western Gateway, and that said bridge can be repaired and maintained at a cost less than the cost of removal; and

Whereas, the continuance of such bridge will relieve traffic congestion upon the new bridge, and will afford a conveneient entrance into Schenectady for residents of Saratoga County;

Resolved, that this Board urge the Department of Public Works of the State to continue the old bridge at said location, making such repairs thereto as may be required for that purpose.

Adopted by the following vote:

AYES—Bailey, Burt, Clark, Costello, Cromie, Cronin, Curtis, Carpenter, Johnson, Jump, King, Matteson, Parkis, Riddell, Springer, Thomas, Torrey, Van Rensselaer, Schreiber, Turpit—21.

STATE OF NEW YORK
County of Saratoga ss:

I, J. R. Whitney, Clerk of the Board of Supervisors of the County of Saratoga, N. Y., for the year 1925, do hereby certify the foregoing pages contains the names of all persons presenting claims against said County which were audited by said Board at its quarterly and last annual session or by the several Town Boards of said County, so far as returned to me, together with amounts claimed and allowed thereon, that no account was audited at said time except as were properly verified; that the statement as to the number of days of the session is true to the best of my knowledge and belief.

Dated, December 31, 1925.

J. R. WHITNEY,
Clerk.

HIGHWAY, BRIDGE AND MISCELLANEOUS REPORT OF THE TOWN OF BALLSTON, COUNTY OF SARATOGA, 1925

For the Repair and Improvement of Highways, Repair and Construction of Bridges, Purchase, Repair and Storage of Machinery, Removal of Obstructions caused by Snow, and other Miscellaneous Purposes.

Section 107 of the Highway Law Reads as Follows:

Section 107. Reports of Supervisor as to Highway Moneys — THE SUPERVISOR SHALL PRESENT TO THE TOWN BOARD AT ITS MEETING HELD IN EACH YEAR, FOR CONSIDERING THE ESTIMATES CONTAINED IN THE STATEMENT OF THE TOWN SUPERINTENDENT as provided in Section 91, a verified report showing:

1. The moneys received from the State, as provided in section one hundred and one during the year ending December thirty-first.

2. The moneys received by him during such year on account of taxes levied and collected and from the issue and sale of bonds and certificates of indebtedness in anticipation of taxes, for highways, bridges, purchase and repair of machinery, tools and implements, the removal of obstructions caused by snow and for miscellaneous purposes.

3. The money received by him during such year, as penalties recovered pursuant to this chapter, or from any other source and available for highway purposes in his town.

4. The expenditures during such year for the improvement, repair and maintenance of highways, for the maintenance and repair of bridges, for the construction of new bridges, for damages and charges in laying out, altering and discontinuing highways, for the removal of obstructions caused by snow, for the purchase of machinery, tools and implements, for the rental or hire of stone crushers, steam rollers and traction engines, for town superintendent's salary or compensation and audited expenses, for allowances as fees on account of receiving and disbursing highway moneys, or for other highway purposes.

5. All machinery, tools and implements owned in whole or in part by the town, the present value of each article thereof, and the estimated cost of all necessary repairs thereto, as shown by the annual inventory of the town superintendent.

The form of such report shall be prescribed by the commission. Such report shall be filed in the office of the town clerk within three days after the presentation thereof and shall be open to public inspection during the office hours of such town clerk and a duplicate shall at the same time be mailed to the commission. A certified copy of such report shall also be filed by the supervisor with the clerk of the Board of Supervisors, who shall cause the same to be printed in the next issue of the annual proceedings of the Board of Supervisors. The town board shall cause a certified copy of the re-

port to be published in a newspaper published in the town, or if there be none published therein, then in a newspaper published within the county and having the greatest circulation within the town. The expense of such publication, which shall not exceed ten dollars, shall be a town charge. The clerk of the Board of Supervisors shall transmit three copies of the journal of the proceedings of the board containing such report to the commission and three copies to the comptroller.
